MEDICAL CARE

A nurse (medical director) will be present at every camp. All medications will be supervised by the camp nurse who will receive them at the time of check-in at camp. The camp does not provide prescription medication(s). If your camper is presently taking medication, please complete the Medical Form and place with the original prescription bottle in a Ziploc bag labeled with the dosage, time, and child's name. Permission is required to dispense over-the-counter medication and will not be dispensed unless noted on the Medical Form. Parents will be notified in case of an accident or illness.

CAMP MONEY

Snack items, Camp T-Shirts, and camp merchandise will be available for purchase. Students will turn in their money at the beginning of camp for safe keeping. During camp, they will be able to access their money for purchase and/or missions offering. Any remaining money will be returned before departure. Camp T-Shirts will be $12.
