Vision Leak

Can you think of anything that leaks, where the leaking is a desirable trait of that thing? What I mean is, have you ever heard of “leaking” as a good thing? When your refrigerator leaks that is typically a bad sign. If your faucet leaks, or your toilet leaks; these are indicators of a future catastrophe waiting to happen.

However, when making wine the fermentation process can create pressure in the barrel and causes wine to seep/leak out. A path is then developed where oxygen enters in and enhances the flavor and body of the wine being made.

We are all like wine barrels, filled with God’s plan and vision for our lives. When the pressure increases the gospel of Christ and the vision of God should leak out of us. As it does, the genuineness of what is inside of us will grow more rich and more desirable.

Every month I want to remind you of the vision and mission of this church. I pray that the vision for WWCC leaks out of you as the pressure of excitement and joy increases within you. God has a mighty work prepared for us. He is filling the barrel and preparing the place where we will seep out and share this vision with everyone we meet.

To develop disciple-making disciples of Jesus Christ, as we pursue the Lord, engage the community with compassion and unity, and see lives transformed by the love of God through his loving church.

Love, Pastor Herb

Member’s Moments

Thank You Sunday School Teachers Colossians 3:16

“Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts.”

I wanted to extend my heartfelt gratitude for the dedication and passion of our Sunday School Teachers. From the wee ones to the adults, your wisdom and patience has truly made a difference in our church’s spiritual growth. Thank you for investing your time and energy in the studying and then the teaching of the valuable lessons that will stay with us for a lifetime. Your impact is immeasurable. I cannot remember who quoted this but, “A good teacher is like a candle – it consumes itself to light the way for others.”
