## Grace Kids

Parent's
Meeting
to go

Thank you for taking the time to read our Parent Meeting To Go. I know there are probably things you want to know about Grace Kids, but many of us simply do not have the space in our schedules to attend a full infomeeting. So to be respectful of your time and your curiosity... here we go! Inside this little booklet, you will find information on each of the age groups within Grace Kids. You will also find our Wellness policy, things coming up in the next few months, and ways you can serve. If I have missed anything or you have any further questions/concerns after reading, please don't hesitate to get in touch with me. It's an honor to be able to serve you and the kids you love here at Grace.

# Grace Kids Nursery newborn-age 2

Our Goal:
All kids should feel
loved and have their
physical needs met

Our nursery is equipped with everything our parents and volunteers need to help make our littlest kids at Grace feel at home. That includes: rocking chairs, nursing privacy screen, changing table (with extra wipes & diapers of all sizes), crib, bouncy chairs, and plenty of age-appropriate toys.

Our Goal:
All kids should feel loved, have their physical needs met and want to come to church!

## Grace Kids Toddlers

Ages 2&3

Curriculum: Gospel Light building a heritage of faith in our children

Each week our toddlers will explore a new Bible story that will teach them about loving God and loving others. They will also enjoy outdoor time, snacks, and plenty of time to play.

Watch for their weekly sticker page to see what they learned and some ways to continue the learning at home!

Grace Kids Preschool Ages 3-5 Our Goal:
All kids should feel loved, have their physical needs met, want to come to church, and hear God's Word.

Curriculum: Gospel Light building a heritage of faith in our children

Each week preschoolers will explore a new Bible story that will teach them about loving God and loving others. They will also enjoy outdoor time, snacks, free play, and activities related to their story. Watch for their weekly sticker page to see what they learned and some ways to continue the learning at home!

## Grace Kids Elementary Kindergarten-5th

Our Goal:
All kids should feel loved, have their physical needs met, want to come to church, hear God's Word, and develop a personal relationship with Jesus.

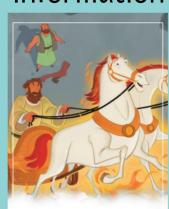

Curriculum: The Gospel Project seeing Jesus through God's one big story of redemption

The Gospel Project (TGP) is a chronological look of the Bible. We've already gone through creation, the early days of the Isrealites, and met the first kings (like David, Solomon) This school year, we will get to meet all of the Prophets then move on to Jesus' life on earth.

We learn about God through...
Memory Verses Active Games Crafts
Reflective Q's Jeopardy
Tactile Tools
Imagination
Puzzles
Visual Aids

# Did you know? The collector cards sent home with kids each week have all the lesson information on the back

Elijah and Elisha 2 Kings 2

#### Elijah and Elisha 2 Kings 2

**Story Point:** God chose Elisha to continue Elijah's work as a prophet.

**Big Picture Question:** How many gods are there? There is one true God who alone deserves worship.

Christ Connection: God gave Elisha the same spirit that was in Elijah so Elisha could carry out his mission as a prophet. Years later, Jesus told His followers to wait for the Holy Spirit. God gives believers the Holy Spirit so they can share the gospel with the world.

Key Passage: Isaiah 42:8

# Grace Kids Quest 4th & 5th grades

Sundays @ Grace 2-3:30pm

At Quest, preteens will learn the tools to make their journey of faith richer: studying the Bible, prayer, serving others, worship, encouragement and more!

#### Our Goal:

All preteens should feel loved, have their physical needs met, want to come to church, hear God's Word, develop a personal relationship with Jesus, and learn to put their faith into action.

Quest is designed as a bridge between Grace Kids and EPICYouth- think of it as a mashup of the best parts of Sunday School and Youth Group

Ways to Serve in Grace Kids

Not everyone serving in Grace Kids is a teacher!

Here are just some of the ways you can help:

cuddling babies

praying for our kids

writing birthday cards

classroom helpers

teachers

special guests

preteen mentors

classroom set-up

building projects

special events (VBS, fun nights, etc)

### American Heritage Girls

For girls in Kindergarten
(and age 5)
through to
Highschool Graduation
