

Christ Church continues to be very busy communicating the life-giving light of Christ to the world! Our church is growing at a time when organized religion is a waning institution in America. This is not what you will find here. Look at our Crossroads newsletter, review the e-newsletter or visit our website and you will find signs of a vibrant and inspiring community of faith. Here you will find engaging opportunities to center you and your family in the love of God, nourish your heart, body and soul, and grow your relationship with the Lord.

Come by Christ Church any day of the week and there is always something going on. Our four weekend worship services, our exciting youth ministry, our award winning Christ Church Day School, our adult faith-based small group studies, our pastoral ministries, our outreach ministries and our social opportunities enable our members to connect with one another and serve Christ on many different levels. It makes our church a life-center seven days a week.

Together we are making a difference in the community of Talbot County by way of our witness and work. Just like our Mission Window shines brightly as a beacon of hope on Harrison Street, our parish shines as a light of God's love out into the world. We are taking on real challenges and risks and doing real work born out of our hope in Jesus Christ. We are making a profound difference in the lives of many. What we are doing is not simple or easy; but it is holy and truly good, and thanks be to God, there is joy in the journey together.

For those who are thankful to God, there is no question we want to be generous in all that we do. Included in our calling is the responsibility of a financial commitment to the support of the mission and ministry of the church. Prayerfully consider how you can best share your gifts of time, talent, and treasure. Once you have considered how to support the Church financially, please complete and return the enclosed pledge card to the office or complete a pledge online (<http://www.christchurcheaston.org/give.html>).

If you would like to speak to someone on the Stewardship Committee or Vestry, we are happy to do so. (You can find names and contact information for Vestry members on our website.)

*Thank you in advance for your support of Christ Church!*
