

## Assemble SchoolTools backpacks for children in the nation's distressed communities

Your group can provide a new backpack filled with school supplies for at-risk children in the U.S. With these essential tools comes the opportunity to engage in learning, setting the foundation for a brighter future.

When your group hosts a SchoolTools event, you encourage, inspire and impact the lives of children in need.

Some years we have one child that brings [school supplies] and we really have to fill in the holes.”

-Kelly, 4th grade teacher

### How it works

Companies, churches, and community organizations purchase supplies through World Vision, host an event and assemble the backpacks. Completed SchoolTools can be distributed locally by you or through World Vision.

### Get involved today!

For more information or to register your event, contact us at:
