- **Bicycle Tour, 8:30 AM – 10:00 AM+**
 - Meet at Faith Tri-Cities at 8:30 AM
 - No charge
 - Join us for one of three road bike loops:
 - 1.5 hour, 20 mile loop through all three cities on riverside bike paths.
 - 2+ hour, 30 mile loop through all three cities and 5 different parks, including the WSU campus on paths and a few surface streets.
 - 5+ hour, 60 mile loop through Horse Heaven Hills with 2,000ft elevation gain, mostly on surface roads
 - Bring your own equipment including water, spare tube and a helmet
 - For more information contact Gary Modine, 509-494-9468, garym@stonechurch.us

- ***NEW Dual-Sport Motorcycle Ride, 8:30 AM – 2:00 PM**
 - Meet at Faith Tri-Cities at 8:30 AM
 - No charge, but bring \$\$ for lunch or pack a lunch as we will seek out some hole-in-the-wall to eat at.
 - Bring your street legal, dirt capable, bike (whether it be an Adventure bike like the BMW GS, a factory dual-sport like the Suzuki DR, or a full-on dirt bike that you have converted and obtained a license plate for - personally I am riding a KTM 450 MXC that I converted and will be trucking over).
 - This ride won't have a high degree of technical difficulty but we will be riding both asphalt and dirt. The goal is dirt roads, fire roads, good views and great fellowship.
 - In addition to your bike (BTW you're responsible to ensure it has a license plate and that you are an endorsed rider)
 - Be sure you have your safety gear (as a bare minimum - helmet & goggles/glasses), any spare parts/pieces you may need for a trailside repair (for example - a front inner tube [which, if necessary, can be used in a rear tire] and the tools to change it, spark plug).
 - For more information contact Brandon Hollis, 360-751-4420, bndhollis@gmail.com

- **Motorcycle Ride, 10:00 AM – 3:00 PM**
 - Meet at Faith Tri-Cities at 10 AM
 - No charge
 - Round trip ride and lunch stop will be approximately 5 hours
 - For more information contact Daniel Butcher, 360-509-0400, dbutcher01@gmail.com

- ***NEW** Manhattan Project Hanford Reactor-B Tour, 12:30 – 4:30 PM
 - Meet at the Manhattan Project Visitor Center, 2000 Logston Blvd, Richland, WA 99354
 - No charge
 - Make sure you eat lunch prior to your arrival
 - The tour lasts about 4 hours, including travel to and from the B Reactor, and begins with a short video and introduction at the visitor center in Richland.
 - Created as part of the top secret Manhattan Project during World War II, B Reactor produced the plutonium used in the Trinity Test (the world's first nuclear detonation) in July 1945, and the atomic bomb dropped on Nagasaki, Japan in August 1945.
