

For the ones who are having their rights to peaceful gathering restricted
... Lord hear our prayers
For the ones that have the needed scientific truth but are restricted from sharing the facts
... Lord hear our prayers
For RBG's health
... Lord hear our prayer
For the passing of John Lewis
... Lord hear our prayers
For the ones lost in the shuffle and displaced by the decisions of others
... Lord hear our prayers
For 134,905 souls
... Lord hear our prayers
For those with worries but not the voices to communicate them
... Lord hear our prayers
For those hurting with needs and searching for the caregivers
... Lord hear our prayer
For those who have passed in a time we have been unable to gather and celebrate them
... Lord hear our prayers
For the unspoken pain some of us hide
... Lord hear our prayers
For the decision makers doing their best to truly care for others
... Lord hear our prayers
For the front line workers in the line of harm everyday
... Lord hear our prayers
For the sick separated from being able to see family
... Lord hear our prayers
For the one who have thrown their hands in the air to give up
... Lord hear our prayers
For the ones oppressed and pushed aside because of who they love.
... Lord hear our prayers
For the ones who live in moments of fear from those who should be a source of love
... Lord hear our prayers
For the racial discrimination that crippled dear friends
... Lord hear our prayers
