

As we return to our outdoor seating protocols for our Sunday morning prayer service, here is a reminder of the rules we are required to follow based on our agreement with the California Pacific Annual Conference.

Thank you all for your continued participation in these rules. These have to be followed per our written agreement with the South District. Following these rules also limits the possibilities of COVID spread at NUCMC. Any spread linked to NCUMC would create restrictions, including possible cancelation of in-person activities.

Rules for in-person prayer service:

All people present on campus must wear a mask

- Per the Annual Conference requirement, we must have a release form for each person on campus.
- Call the church office by 1 pm the Thursday before the worship service.
- Have your temperature taken before entering the worship area.
- Maintain social distancing while on campus
- No one should be in the building unless it is for a designated, preapproved reason.
- Our only available restroom is the sacristy restroom next to the shelter area. You must enter through the outside door to this area.

Drive-in Radio parking spots:

We will continue providing the drive-in radio signal for the weekend services. 87.9 on your radio. If you are here for the parking spots, please stay in your car. If you get out of your vehicle, we need you to go through the check-in protocols for temperature and COVID questions.

Zoom video for our weekend prayer service: We will continue our Zoom video feed for our 8:30 and 10:00 services. The same link will connect you with each service.
