Welcome back to another great year of God's Friends Forever! We are so excited to see everyone again, and get back to singing, dancing, praying, learning, eating, and making crafts together.

As you can see on our schedule we will be trying something new this year. We believe that sometimes things can get a bit monotonous throughout the year, so we are going to try on top of having our monthly fun fellowship events, to have some fun services to break things up. Some ideas that we have had would be instead of having a lesson, that we would watch a movie, or do some dancing or yoga to focus on God. We only have 3 of them scheduled, so if you have some suggestions, please let me know!

We are also going to be involved again this year with the Peace, Love, and Prom happening at St. Ambrose church in April.

So let's start eating, having fun, and growing together! Invite your friends and family so that we can truly be God's Friends Forever!
