To whom it may concern,

Hello my name is Bishop A.L Cobbs, Jr., the Pastor of the Providence Baptist Church, located at 314 South 12th Street, Richmond, CA 94804 . We have been serving the Richmond community for approximately 73 years, and is a self funding ministry, which services Richmond through our community outreach program called Mission Possible.

Mission Possible is a program that supplies much needed resources to the Nystrom Community and low income areas of Richmond through our Food Truck Feeding Program, Clothing Supplies, Backpacks and School Supplies, as well as our Narcotic Anonymous Support Group.

I am writing your organization to ask for your help in supplying the children of Richmond with new shoes for the upcoming fall school year. Our Goal is to collect 1000 pairs of shoes to be given away to needy children, youth, and teens in our community.

In 2018 we were able to collect over 700 new pairs of shoes from the members of our church of all styles and sizes. Many of the shoes were from name brand companies like Nike, Adidas, Converse Guess, Michael Kors, Jordans, Under Armor and many more. We were successful in giving away over 600 pairs of shoes as well as hundreds backpacks and school supplies.

We believe with the help of your company, we will be able to exceed our last year's efforts and reach the goal of 1000 pairs of shoe, to be collected and given away to needy families in our community.

Please help our vision become a reality through your generous donation of shoes or financial donation. Just so that you could see that this is truly what we do, we and included photos of our last years successful community project.

Sincerely Yours

*Bishop A.L. Cobbs, Jr.*
