Product Information:

Blush back-painted glass added to the metal frame/glass door program. Available in gloss or matte finishes.

- Blush Gloss
- Blush Matte

NEW

Solid Color Stains

1600/1900 Series

Product Information:

Slightly opaque, these heavily pigmented stains coat the material's surface in color and allow the open wood grain to show through. The result is a paint-like finish with a textured surface.

- Available in Red Oak only -

- White
- Alabaster
- Pavestone
- Greige
- Black
- Naval
- Silverplate
- Pepper

A rectangular sample of wood stained with a white pigment, showing a light, textured finish with visible wood grain.

WHITE

A rectangular sample of wood stained with a light cream or off-white pigment, showing a subtle texture and wood grain.

ALABASTER

A rectangular sample of wood stained with a light grey pigment, showing a textured finish and wood grain.

SILVERPLATE

A rectangular sample of wood stained with a dark grey pigment, showing a textured finish and wood grain.

PAVESTONE

A rectangular sample of wood stained with a medium brown pigment, showing a textured finish and wood grain.

GREIGE

A rectangular sample of wood stained with a dark charcoal pigment, showing a textured finish and wood grain.

PEPPER

A rectangular sample of wood stained with a black pigment, showing a textured finish and wood grain.

BLACK

A rectangular sample of wood stained with a dark blue pigment, showing a textured finish and wood grain.
