Message from the Headmaster

It is the goal of Trinity Christian Academy to have the most capable coaches available work with its students. Our definition of capable goes well beyond the ability to coach strategy of a particular sport. We are looking for coaches that can teach and model character, sportsmanship, love unconditionally and have the ability to understand that acting as Christ's ambassador is the most important skill of all.

I encourage you to read II Cor. 5:20. The Apostle Paul tells us to be Christ's ambassador and to be reconciled unto the Lord. It is my prayer that the coaches of Trinity Christian Academy will lead students with exemplary Christ-like character at all times.

Thank you again and many blessings,

Benjamin Haskell
Headmaster
