## **Is This Just Another Christmas?**

With all the recent events behind us I don't think the answer to this question is "yes!"

Fear, insecurity and a whole range of dilemmas about the future have gripped our society. The long media discussions and the eloquent and often contradicting speeches by the politicians can't hide the ultimate reason for this ongoing confusion, which can be summarized in one word - "sin." The modern society boasts of great technological and scientific progress but suffers internally from the sickness of sin. The angelic message of the first Christmas speaks directly into the current dire situation: "You are to give Him the name Jesus, because He will save His people from their sins" (Mat. 1:21). **The world's need of this divine Savior continues and we are the ones to make Him known.** This is what CTS does and will continue to do.

Thank you for blessing our ministry and making the fulfillment of this task possible through your prayers, sacrificial giving and missions' vision.

Merry Christmas and a Blessed New Year!

Dr. Joseph Dimitrov

## Our Context of Ministry And Existence

Behind the glamor and the beauty of our European cities, there is so much spiritual emptiness and need for the true light

## Our Substance of Ministry And School Life

We train a generation that believes and knows where the solution comes from

## “Why celebrate Christmas if Christ is not in your heart?”

This is our question to the world that surrounds us. The answer is obvious because everything else does not inspire hope or sufficient reason for celebration.

## Our Purpose of Teaching And Learning

To know Christ and to make Him known is the supreme reason and motivation to be in the classroom

## Our Needs

- Pray for God's divine peace over our city of Brussels.
- Pray for God's divine protection.
- Pray for God's divine provision.
