POP-UP DONOR CENTER

APRIL 7 -8

1053 Lake Washington Blvd North, Renton

They say that kindness is love in action. And we believe that donating blood is the very best example there is of the kindness of a stranger. The impact of your donations is measured in the remissions, recoveries, and second chances they directly help create and those people – healthy and strong or still fighting – will be grateful to you forever!

SMALL ACT. BIG IMPACT.
