# Ambassadors Retreat

Renton Chamber of Commerce Ambassadors Retreat is a 2-day getaway\* intended to unify and educate our biggest Chamber Champions. Ambassadors are those who volunteer first, help behind the scenes, advocate on our behalf, plan events, and consistently give their time, treasure, and talents to the Renton community. Our intention is to connect with each other, have fun, unify the Renton Chamber’s goals while enjoying nature.

*\*Overnight is optional and only from Saturday to Sunday.*

## Ahead of the Care

Renton has become a hub of leading health care organizations in our state. This is an opportunity to celebrate the achievements of high performers. This event honors the top nominated doctors, nurses and medical professionals and care providers in our City.

Past Attendance: 350 (2022 attendance cap 500)

In 2022, we are taking the event virtual, providing opportunity for more participation and for attendees to purchase a “Gala In A Box” for pick up.- should they desire to expand the festivities into their homes.

## COMMUNITY COOKBOOK

Renton's Chamber of Commerce is creating a CommUNITY cookbook. We are asking businesses, professional athletes, first responders, community leaders, nonprofits, government officials, and members of our community to contribute recipes to be included in this effort toward commUNITY. Sharing a piece of themselves for us all.

Food connects us all and brings people together. This is a great opportunity to show the community you care by sharing a piece of you and your business with them. By contributing a recipe to the cookbook you are automatically advertising for your business/cause. You are stepping into the homes and lives of the people in this community. Every recipe that is included from your business/organization will have a photo of the recipe and include your business/organization name & logo should you have one.

Sponsor Levels and Benefits	<div> Recipe Donation Title Page Sponsor Inside Cover Sponsor Backpage Sponsor 1/2 Page Sponsor Full Page Sponsor </div>
