

Bed and Bedding Needs List

Imagine having to sleep on the floor because you don't have a bed. Each month, over 35 families who enter our program don't have beds!! When homeless families come to us in crisis, they need safety, food, and personal care. We've learned that NEW mattresses rolled-in-box and in-box frames allow Moms to transport and set up beds themselves without tools.

Here is the list of bed and bedding items **most needed at this time**.

- Mattresses – **NEW** rolled-in-box (Twin and Full only). Easy to transport.
- Bed Frames – **NEW** in-box (Twin and Full only). No tools needed for assembly.
- Comforters and Blankets – new or clean and gently used (Twin and Full size only)
- Pillows – **NEW** standard size pillows
