VALLEY OF HINNOM

Dung Gate

Akeldama

An aerial photograph of Jerusalem, showing the Temple Mount in the background, the Eastern Gate, the Kidron Valley with its terraced olive groves, and the Gethsemane area in the foreground. The Temple Mount is a large, flat, rocky plateau with a prominent wall and a central tower. The Eastern Gate is a large, arched structure on the wall. The Kidron Valley is a deep, narrow valley with terraced olive groves and a winding path. The Gethsemane area is a small, green, hilly area with a large palm tree and a stone wall.
