

**Voice of Hope** is a pregnancy and family center serving local women, men and families in Crawford, Hardin, Marion, and Wyandot counties.

**A Baby Bottle Campaign** is an easy way for members of your congregation or group to support the ministry of Voice of Hope. One bottle filled with change might not seem like much. But add them all together and it grows into one of our greatest fundraisers of the year!

**Thank you** for your interest in participating in our Baby Bottle Campaign! Your change does *change* lives!

Call or email to schedule your  
Baby Bottle Campaign!

**740-223-0419**

Steps to Success:

- **Get Ready**

**Decide** which date you want to start your campaign. Baby bottle campaigns are typically 4 weeks long and can be scheduled anytime throughout the year.

**Decide** if your church would like a speaker to kick off your campaign (2-5 minute presentation). We love to share about the ministry with church families!

- **Get Set**

**Gather** the materials you'll need.

*Baby bottles.* We recommend one per family.

*Bulletin inserts.* This can be emailed or printed.

*Announcement video.* Can be used in place of a speaker to kick off your campaign.

You can arrange to pick up these items from any of our centers. We would also be happy to deliver them to your church

- **Go!**

**Start** your campaign and look forward to seeing how the change your church collects can change lives!

*Week 1:* Kick off the campaign! Announce the campaign in your church service and distribute bottles.

*Week 2:* Encourage participation and continue to distribute bottles.

*Week 3:* Remind your congregation or group about the campaign and when bottles are due back.

*Week 4:* Collect all bottles and return them to Voice of Hope or arrange for pick up.
