

Director of Communications Report

July 15, 2024

As always, I would like to express my appreciation to all of you and my gratitude to God for the opportunity to serve the Southern Ohio/Kentucky District Church of the Brethren. I see this ministry as one of my greatest blessings.

—WE are working on the Fall, 2024 issue of “Together” magazine. It will be mailed October 9. The theme is “Beside Still Waters” and we are still gathering material. We need to have it ready to send to Debbie for design on August 9 and it will go to the printer on September 9.

—District Conference planning continues with our Program and Arrangements Commission to plan our 2024 District Conference. Registration is open and I’ve received a couple back. Invitations to display have also gone out and are starting to come back in.

— I attempted to make changes in my cell phone service that we talked about at our last meeting (two different phone numbers using the same phone) at the store in Huber Heights. I may not have been at the correct place, but they told me that they could do what I was asking, but they would get in a lot of trouble if they did. They recommended that I call the customer service number and see whether they would take care of it for me. I have not yet done that.

—As I state in almost every report, much of what I do is repetitive and routine, such as the usual tasks of collecting mail, processing deposits, monthly newsletter and bulletin inserts, etc.

I remain so very grateful for the opportunity to serve Southern Ohio and Kentucky District and look forward to new opportunities to be used by God in this ministry!!!!

Respectfully,
Mary Boone,
Director of Communications,
Southern Ohio/Kentucky District Church of the Brethren
