## Intergenerational BDM Trip Information

### July 20-26, 2025

### Letcher County, KY

**Mission:** BDM volunteers demonstrate Christ's love and put their faith into action by repairing and rebuilding storm damaged homes for some of the most vulnerable disaster survivors. Often this is the elderly or disabled.

**Service:** Our work will be flood recovery in Letcher County, KY. We'll be raising and repairing damaged homes, as well as working on new builds on higher ground properties. Leaders will teach the skills that are needed, and tools are provided.

**Volunteer Housing:** In Fleming-Neon, KY, we'll stay in a complex of three small houses owned by our partner agency, HOMES. There are bunk rooms, and the shower trailer is located close by.

**Itinerary:** Departure will be on Sunday morning. We'll work Monday-Friday and return on Saturday afternoon. Transportation is provided from Union, OH by S. Ohio/KY BDM.

**Daily Schedule:** A typical workday starts with leaving for the jobsite about 8:00 AM. Return is about 4:30 PM. In the evening there is group time for debriefing the day, journaling, games, fellowship, etc.

**Age Requirements:** Youth (15+ years) may sign up without having an adult to come with them. Likewise, adults can sign up without a youth. It's a great opportunity though for parent/youth (14+ years), grandparent/youth, or church member/youth to serve together. Invite a friend!

**Cost:** Your time and commitment!  
BDM covers the cost of transportation, housing, and food.

**Registration:** Maximum number of volunteers is 15. Sign up now!

**Contact:** Helen Wolf, District Disaster Co-coordinator, to reserve your spot.
