

National Domestic Violence Awareness Month

Target Audience: Community Members & DV Allies

Anticipated Attendance: 20-30 attendees weekly

When: Weekly in October 2023

Where: Renton Chamber of Commerce

For the month the Renton Chamber of Commerce will host a weekly presentation from local organizations to bring awareness and education about domestic violence. Each week will feature a different form or education around domestic violence. This is not a fundraiser for Renton Chamber of Commerce. The money received for this event will go directly to the organizations we partner with to provide a month long educational series, with any remaining monies to be donated to Project Be Free directly.
