Seven ethics of life.

Believe, before you pray.
Listen, before you speak.
Think, before you write.
Give, before you take.
Earn, before you spend.
Try, before you quit.
Live, before you die.

else's life
better, you're
living yours

We have been blessed to have Bro. Thomas visit PNW District. Please call Bishop Roberts if anyone would like to have Bro. Thomas visit your church the first week in November. You will be blessed.

Brother and Sister Thomas have been missionaries with the Pentecostal Church of God for thirty-four years, serving all that time in India. Brother Thomas also serves as our West Asia Area Supervisor which currently covers India, Iraq, Bangladesh, Nepal, Bhutan, and Pakistan.

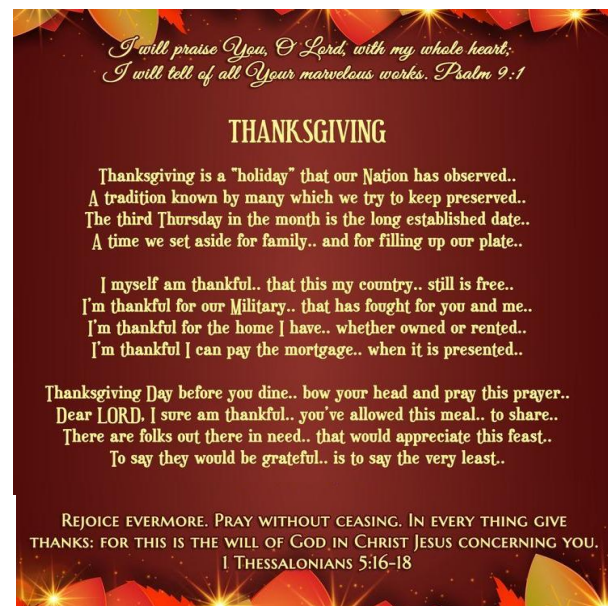

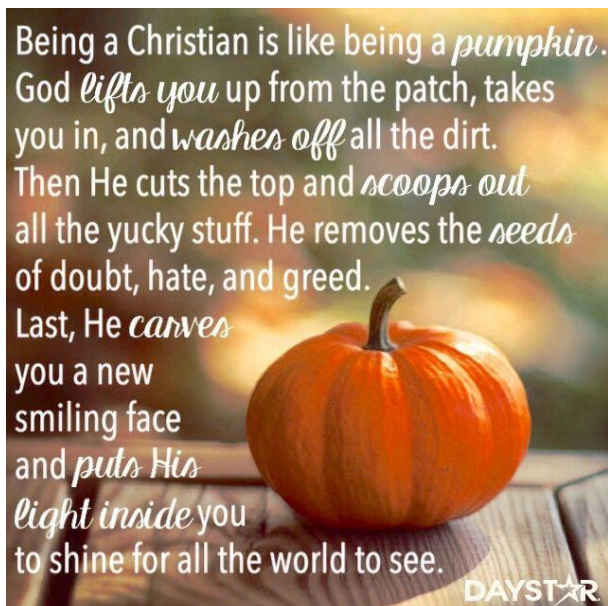

Their ministry in India has produced eighty-one churches, one hundred and twenty-six ministers, and fifty-five next-gen leaders. They have two Bible schools, three orphanages that serve both boys and girls, and a senior care facility that is near completion.

India has been and continues to be a challenging field for gospel ministry with much persecution and hardship. However, God has given the Thomas' strength and grace to labor effectively for Christ's kingdom.

In the month of October many Jews and Christians all over the world celebrated Sukkot, the Feast of Tabernacles/Shelters/Booths, which is remembering how God our Father provided for His people in their wilderness journey, He is the same yesterday, today and forever, our God provided for them a few thousand years ago and He is providing for us today! As many of you know we have been working feverishly on the restoration process of New Hope Chapel in Union Gap, well all of the windows need to be replaced in the building, they are all still metal framed windows. The educational wing has 11 windows, this church is a block building, my wife's store that she Manages in Hayden, ID (Habitat For Humanity) just happened to have 12 brand new vinyl double paned windows that will fit the opening exactly!!! Bought new at Home Depot would have been approximately \$4,000.00, we got all 11 for \$550.00 (Teresa of course did not price the windows, that would be unethical)!!! This is just one example of Him being our provider in our journey! We have already replaced one window in a room that will become our new District Office! A nice table and window mount air conditioner has already been donated for this office also! God is our Provider which translates into salvations and making disciples in the great Pacific Northwest District! We have been getting report after report of our churches baptizing people, I just borrowed Family Worship Center baptismal tank and baptized 2 people myself! We are so blessed to host Bro. Samuel K. Thomas, our Missionary to India these past two weeks and will flow into the first week of November. God has tremendously blessed this faithful, dedicated servant of God and the mission of bringing the gospel to India, such an honor to have him in our District. Please check out our District website PNWPCG.com for more information, watch his video report of all the marvelous accomplishments, the footprint of The Pentecostal Church of God in India, it truly is inspiring and amazing! Ask the Lord what He would have you do in and for India. Please checkout Teresa's announcement regarding Women's Conference, it was spectacular! We are so thankful that Steve and Pam Umphenour are now home with a powerful testimony of God's provision and healing! Also, great news regarding Phil Redding, on October 26th he preached his first sermon sitting in a chair! That is a miracle! They have experienced several miracles since his accidental fall which shattered his L1! I pray that the Lord bless you and protect you, may the Lord smile on you and be gracious to you. May the Lord show you His favor and give you peace. We are so thankful for His provision, may we never forget to offer thanksgiving to Him for His great bounty.

Happy Thanksgiving to all!

New Hope-Yakima Restoration Progress

We would like to thank all the workers that have so diligently come on various weekends to help with the restoring of our New Hope Church in Yakima. We are so appreciative for all of you. Our contractor Sean Murphy and the many hands and churches that have been involved. Worship Center in Smelterville, Hayden FWC, East Wenatchee, the youth from Mosaic church, Bro. Skidmore, Bro. Kyzer, and Mark Hicks of Kamiah. And thank you to those who have sent offerings.

We are please to announce our Women's Conference was a great success! We have had many ladies comment on how much they enjoyed and how much they were blessed. The Spirit of the Lord was rich and Andrea Lance followed God's lead throughout the Conference.

The month of November we are featuring our Pastors from Gateway Tacoma Church

Pastors Randy & Linda Bach

Linda & I have been married 55 years and have 4 adult sons and 7 grandchildren. We have lived in Gig Harbor since 1987, which is just west of Tacoma where our church is located.

Linda & I were filled with the Holy Spirit in 1972 during the Jesus People Revolution in Tacoma, WA and have been in the ministry ever since. We started Gateway Church in 2003 and moved to our current location in 2007 where we were ordained through the PCG. It was then we received the building which is our current location. We have upgraded and made many improvements to our existing building and are nearly completely finished with the new fellowship hall.

Gateway also has a weekly food pantry for the community. What a blessing.
