Prayer Requests

Please continue to pray for Phil & Sharon Redding for healing.

We traveled to Olympia and had a wonderful time visiting the church, getting to see Desi & Loretta Albright again. And of course, the Pastors, Larry & Karin Dawson.

Dec. Board & The Cause dinner. A cherished time with friends.

From the Bishop's Desk.

HAPPY NEW YEAR!

Even though we start a new year with new ambitions, goals, and desires, what remains is the constant presence of our Savior with the same mission to go and make disciples of all nations! This must never change, what must change is us, our commitment to His purpose, His plan, and His empowerment! I pray as we start this New Year that we all see our significance in this place and time in history. We have a monumental task that causes us to tarry in His presence, interceding, and worshipping until He fills us, then sends us to do His will! This is the book of Acts chapter 29! I'm very excited to announce our partnership with AIM, Accelerated Institute of Ministry! Through decades we have forged a trusting relationship with Dr. Phil Redding which has led us to a new co-laborer David Craig the President of AIM. After months of earnest prayer, we are happy to announce that here in the PNW we shall have several churches become a Satellite (an extension) of AIM. These churches will host the days of training while AIM in Arkansas is in session. Our people can register through them, do all of their work remotely and come together at our regional satellite locations for digital classrooms, learn together, prepare for ministry together and build lifelong friendships in the PCG! The purpose of AIM is to recruit faithful followers of Jesus and assist in preparing them for ministry, embrace and engage this great harvest, go and make disciples of all nations, and plant churches throughout the PNW. Yes, this is monumental, but the mission and purpose have always been monumental, God is calling us, pleading with us to go and do... **Matthew 9:35-38 (AMP)**

35 And Jesus went about all the cities and villages, teaching in their synagogues and proclaiming the good news (the Gospel) of the kingdom and curing all kinds of disease and every weakness and infirmity.

36 When He saw the throngs, He was moved with pity and sympathy for them, because they were bewildered (harassed and distressed and dejected and helpless), like sheep without a shepherd.

37 Then He said to His disciples, The harvest is indeed plentiful, but the laborers are few.

38 So pray to the Lord of the harvest to force out and thrust laborers into His harvest.

I realize you have many questions, so in the weeks and months ahead we will be rolling this mission out for launch in the fall of 26. For the sake of this publication and the volume of information, please visit Arkansas Pentecostal Church of God website and click on AIM for more information. Their website (www.arpcg.org) will answer many questions. Impact NW 26 is just around the corner, make plans now to attend, all information is in this newsletter and on our website PNWPCG.com. The theme for Impact NW 26 is "Building Bridges 2.0"! Same mission, refreshed vision!

Oroville, WA*

Claude & Dolores Roberts

Claude and Dolores were born again on Easter Sunday 1975 under the ministry of Bro. & Sis. Cockerill. Just three years later Claude received his call to ministry at a Family Camp in Sanders Idaho under the ministry of Jack Brewer, God spoke to Claude clearly stating, "there's My Word, preach it". Claude and Dolores followed the Cockerill's as Sr. Pastor in the Spring of 1983. They effectively operated a Christian School for many years, created and led a 'Kids fishing day' on Palmer Lake for many years also, blessing many youth with the privilege of fishing with one of the best, Pastor Claude! Claude and Dolores also have conducted a Labor Day Family Camp for over 30 years now and counting at Lost Lake. Pastor Claude also served on our District Board for a number of years. Claude and Dolores have 4 children, 11 grandchildren, and 12 great grandchildren.
