

August 1, 2021 COVID-19 Update:

All,

Throughout the COVID-19 ordeal, Valley View Chapel has sought to comply with New Jersey State recommendations to ensure a safe and responsible setting for our gatherings. In accordance with the ["strong recommendations" made this week by the Governor and state Health Commissioner](#), Valley View Chapel will once again ask attendees of our services to wear masks ***beginning this Sunday, August 1***. This will apply to both vaccinated and unvaccinated individuals, as specified in the recommendation. [Scan the QR code below to read Governor Murphy's press release dated July 28, 2021.]

I know this comes as a disappointment to some of you, but I also know each of us is eager to do our part to minimize the spread of this virus and to care for our fellow attendees of Valley View Chapel. Thank you for your understanding and cooperation in this matter. Pray with me for God's protection and provision in this matter.

"Each of (us) should look not only to (our) own interests, but also to the interests of others. (Our) attitude should be the same as that of Christ Jesus. Who, being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant." Phil. 2:4-7

Sincerely,

Jeff Quinn
