

"Share your faith every day as a way of life!"

January 2026 Ministry Report

Greetings in the Mighty Name of Jesus!

Schedule-wise, we had our slowest start to a new year we've ever had. We had only one Event on the calendar on Jan 31, and this annual Event in partnership with "The Light FM", is usually our most significant Event of the year. Unfortunately, due to the winter storm scheduled to arrive in South Carolina, the two events we had planned for this last weekend in January were postponed. Our new, revised schedule for the next three months is at the bottom of this report.

Our calendar has begun to fill with dates to teach. Thank you for your prayers. We are looking forward to traveling and equipping more people to share the good news with a lost world.

I received an unsolicited call from a lady named Sue with the organization "My Faith Votes". Sue told me that members of this nationwide organization had expressed interest in learning how to share their faith in Christ. Sue had mentioned this to a friend, who recommended that she contact me. I was invited to participate in two Monday Zoom sessions and to give a 20-minute presentation on how to share the Gospel on each call. The first one was at 11:00 AM. 57 people were on the call. The interest was so great that after 35 minutes, they took a prayer break, and they wanted to meet again after the prayer time to hear more! I spent a total of 90 minutes on the Zoom call teaching them. Sue sent me an email after the first call that read, ***"At one point there were 57 people from all over the US on the call. We have had speakers before, all very good, but this is the most enthused and engaged I have seen our group. Praise God!"*** For the 9:00 PM call, we had 37 people participate, and again, the whole call, including 30 minutes of prayer lasted two hours! The response was so great that they booked me to do a three-hour M.A.D. Event via Zoom for everyone in the country who is interested in March! Another positive note is that people from all over the country were on the call, so this gave our ministry much-needed exposure. In fact, a lady from Austin, TX, and a man from southern Colorado said they would speak with their pastor about bringing me to their church to teach. Wow! God is so good!

According to my Divine Appointment book, God allowed me to share the Gospel and some literature with 36 people this month. Here's the breakdown:

Police - 6
Veterans - 15
All others - 15

I am planning on starting a once a month half hour Zoom call to go over a specific topic related to sharing our faith. I am thinking about doing it on the last Monday of the month from 8:30-9:00 PM. Everyone is invited. More info to come!

On a side note, I have applied to serve as a volunteer Chaplain on Billy Graham's "Rapid Response Team" to minister after disasters. The background checks and character references are completed. I am awaiting an interview. I was told that they are backlogged and the interview may not happen for several months. The I'll be required to complete five training courses.

THANK YOU FOR PRAYING WITH US

- As you can see from the schedule, God has graciously answered our prayers and provided us with several new opportunities to serve Him in the coming months. Thank you for praying with us, and thank you, Lord, for your faithfulness and answered prayers!
- Cathy has had pain in her right knee for a couple of weeks now. We went to an Orthopedic surgeon today to see what's wrong. She was diagnosed with arthritis in the knee. We're not sure how to proceed, so prayers are appreciated.
- Please pray for my left knee. I am praying for the Lord's healing, and if at all possible, I'd like to avoid surgery. Historically, I don't wake up from anesthesia very well.
- Schedule – please continue to pray for this as we go forward
- For God to use the many Divine appointments that He provides to save the people whom I have shared with

Love in Christ, *Cathy and Don*
