FALL 2018

Annual May Breakfast

Sr. Marie Hesed was our guest speaker at our Annual Altar and Rosary Society Breakfast on Sunday, May 6, 2018.

She honored us by crowning our Blessed Mother at the Mass prior to the breakfast. Sr. Marie shared her beautiful life and mission with those in attendance. Her most recent call was to establish a retreat center, Domus Trinitatus-Home of the Trinity.

It is a contemplative center for renewal and sustainable agriculture where all can rest and refocus on the beauty of creation in Carroll Iowa.

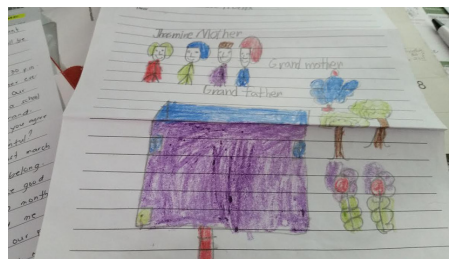

Hy-Vee catered the breakfast and the Knights of Columbus served the breakfast with the assistance of 7th and 8th grade students from St. Anthony Catholic School.

Attendance was up from 79 attendees in 2017 to 141 guests this year.

After the presentation the 2018-2019 Officers were installed; Michelle Fournier (President), Ellen Celsi (Vice President), Donis Cariglino (Secretary), and Sue Augustin (Treasurer).

Next Issue: Installation of New Members, Altar and Rosary Christmas Potluck, Catholic Workers House, and Annual Craft and Bake Sale,

We were sent a picture of Jhasmine and a beautiful drawing that she made of her family.

Altar and Rosary Scholarship

Congratulations to the St. Anthony 8th grade graduates, Paul Papiti and Karley Swesey who are the recipients of the 2018 Altar and Rosary Society Scholarship.

Each student received a \$500 scholarship to be used towards their education at Dowling Catholic High School this coming school year. Each applicant (20 total) were asked to write an essay based on an assortment of predetermined questions from our scholarship committee. Essays were submitted anonymously, read and chosen by the scholarship committee members. The winners were announced during the 8th grade award ceremony this past May.

Unbound Ministries Update

This year the Altar and Rosary is sponsoring a 6 year old girl named Jhasmine who lives in the Philippines. She loves dancing, singing, and drawing. Her favorite color is pink and her favorite food is fried chicken. She dreams of becoming a teacher some day. Our sponsorship goes directly towards Jhasmine and her education.
