MISSION
St. Anthony School provides a quality education program through the Parish, with a focus on Christ as the reason for the school—the unseen but ever present teacher in its classes, the model of its faculty, the inspiration of its students.

We believe that a close relationship with Jesus Christ is vital for children as they grow and begin to face life’s issues.

Thank you for your interest in St. Anthony Catholic School. As parents, providing your child an outstanding education, in an environment that fosters the development of their Catholic faith and deepens their love of God, is the most important gift you can give. St. Anthony School can provide this experience, with rewards that will last your student’s lifetime.

Cultivating Christian Values

Outreach to the less fortunate is fostered through monthly mission recipients and our middle school students contribute service hours around the community.

If you would like to learn more about St. Anthony School, please contact the principal Jennifer Raes at:

St. Anthony School can provide this experience, with rewards that will last your student’s lifetime.
St. Anthony’s is a PreK-8th grade school community with two sections of each grade. Classroom size averages 20-25 students.

Our students excel in a safe, nurturing environment under the leadership of a faith-filled, caring and professional faculty and staff.

We adhere to a traditional philosophy regarding homework, discipline and dress code, and we expect and encourage each student to achieve to the best of their ability.

St. Anthony School students grow in their Catholic faith and beliefs. Gospel teachings are integrated into the curriculum.

The school day begins and ends with prayer, we celebrate weekly all-school Liturgies and gather as a school family for prayer services and to honor Mary by praying the Rosary. Our students receive in-depth sacramental preparation.

Since 2010, St Anthony Catholic School has an immersion model, teaching students in both Spanish (80%) and English (20%) each day, beginning with Kindergarten and expanding into the 5th grade.

We are honored to be working in partnership with Boston College’s Roche Center for Catholic Education and the TWIN-CS (Two-Way Immersion Network for Catholic Schools) program.

Spanish Immersion Language Curriculum is an option at St. Anthony school.
