## FROM MONSIGNOR CHIDO, PASTOR

My Dear Parishioners,

We had a beautiful day last Saturday as a sizeable crowd gathered at our grotto to pray the Rosary for our nation and world. We had some folks from St. Joseph parish joining us as we invoked the name of the Mother of God to intercede for us during this time

of national crisis.

During the plague that killed thousands in Rome in the year 590, Pope Gregory the Great led many processions through the city pleading with our Heavenly Mother that she intercede with her Divine Son for a deliverance from the scourge of the plague. A large image of the Mother of God was carried in procession. Historians recount that as the image was carried at the head of the procession of thousands in Rome---an angel was seen above the Tomb of the Emperor Hadrian---sheathing a bloodied sword. A statue of the angel stands atop the monument today---today known as Castel San Angelo. The sight of the angel was seen as a sign that our Lady had interceded and the plague quickly passed.

This is the spirit with which we should all pray. Pray the Rosary daily---Mary listens. She is our Mother and cares about us. The rosary is prayed on line daily at 5:30pm tune in. Thanks to those who attended the Rosary Rally last Saturday and those who coordinated the event.

*Monsignor Frank E. Chido*

Brothers and Sisters,

In today's Gospel Jesus is confronted by the disciples of the Pharisees who's purpose was to trip him up by asking about taxes, but knowing their malice, the Lord asks them a question and then said back to them, "Render therefore to Caesar the things that are Caesar's and to God the things that are God's."

Yes, we must give what we owe to the world but we must also give what we owe to God. Are we giving to God what is due?

He commands us to love Him with all our hearts, minds, soul and strength and to love our neighbor as ourselves. That's the short version of saying, keep the Commandments. We are also to defend the truth and live the Gospel by letting it transform how we think and what we do. We must, out of love for God and souls, share the Lord's Word with those who have not yet been adopted into the Kingdom of God. Inviting them to be baptized and come to know Him. We should invite the lost to Mass and pray for those who hate us, that they too will be saved from death.

Remember what God has done for us! Through our Baptism, He restored sanctifying grace to us, which is the life that *God breathed* into Adam at the dawn of creation. Our original sin was removed and we were adopted into the family of God. He provides His flesh for us at every Mass to consume so that we can be "in Christ." He provides the Sacrament of Reconciliation so that we can have our sins forgiven through repentance and mercy. The list of what God has done and is doing for us is endless.

All the more reason we must share God's love and truth and to speak up when lies are spoken. Being complicit and not correcting an error of the truth gives an appearance of being in agreement. And this is exactly what our enemy wants us to do. Our silence helps evil advance. You may remember the quote by Edmund Burk, "*The only reason evil triumphs is when good men do nothing.*" Looking around the culture today, evil has made major advancements, to the point where people of good will are fearful of speaking out. Yet, it is our duty to speak the truth, not just because it is right, but because the truth saves souls. Lies lead to death. Jesus said, "I am the way, the truth and life and no one comes to the Father but by me." We must speak about Jesus and not shrink away from being bold in the face of so much evil.

Stand up for the unborn and vote prolife. Stand up for marriage for it can only be between a man and a woman. Love those who are confused about gender and tell them that God created them for a purpose. And now, vote to advance the Kingdom of God on these issues. Let us pray for the conversion of souls and our nation. Let us give God what is due and love Him by our actions.

Your Sister in Christ,  
Kim Lehman, Adult Faith Formation
