

Assemble Women's Hope Kits, bringing comfort and care in desperate situations

Your group can provide essential hygiene items and more, tailored for women in the US. Each beautiful kit will encourage and restore hope for those affected by poverty, abuse, homelessness, or disaster.

When your group hosts a Women's Hope Kit event, you become part of the recovery process for women who are rebuilding their lives towards a brighter future.

“

I came here with nothing but the clothes I was wearing. To somebody that doesn't have anything this Kit means a lot.”

—Michelle, 32

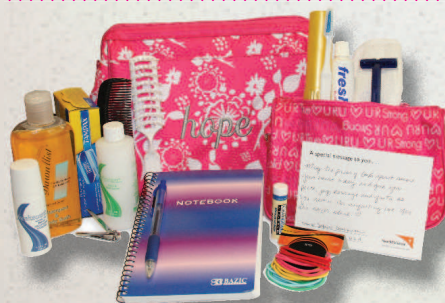

How it works

Companies, churches, and community organizations purchase the supplies through World Vision, host an event and assemble the supplies into a *Thirty-One Gifts* cosmetic bag.
