Dear Adam,

As you know, The YMCA of the Virginia Peninsulas has suspended our facility operations to help prevent the spread of the coronavirus through April 24 per today’s executive order by the Governor. **However, we have not "closed" shop.**

The YMCA has a long history of adjusting operations to provide critical support and care for those in need, and the **COVID-19 pandemic is no different.**

However, we need you to **STAY WITH US**, in order to continue to provide needed services and ensure you can return to the YMCA you know and love. Your **membership dollars are crucial** during this time.

- The Governor today asked for schools and communities to partner together to help provide child care for healthcare workers. Last week, we began operating four emergency child care centers to support essential hospital workers so that they can care for the sick.

- We are supporting our seniors through online health resources and personal phone calls to check on their welfare.

- We are now supporting the regional and national blood shortage problem by partnering with the American Red Cross to offer blood drives at our locations.

- And, we continue to support our members by updating our virtual membership services regularly, and we are now broadcasting live classes from your favorite instructors.

We look forward to the day, soon, when we can again serve you in person, and continue to help support you as you grow **healthier in spirit, mind, and body.** Until then, we ask you to **STAY WITH US.**

Your Y membership is so much more than access to our pools and a gym—it's a chance to make a difference in our community. Our members have always been the most important part of the YMCA. And now, more than ever, that remains true. **To keep your membership active, there is nothing you need to do.** Just know, we are incredibly grateful for your support, and you are genuinely making a difference.
We also know some of you are not in a position to do so, and we completely understand. We will put your membership on hold until which time we can reopen to serve you again in person. To do so:

Click above to contact our membership team about putting your membership on hold.

The YMCA of the Virginia Peninsulas has been serving our community for over 120 years, and with your help we will be here for GOOD.

Sincerely,

Adam Klutts
President and CEO
