

Colaluca & Associates, Inc.

www.colaluca.associates

During this time of unprecedented change, we want to assure you that Colaluca & Associates, Inc. will remain open and continue to serve our clients and the nonprofit community to the fullest extent possible. We have taken proactive continuity measures to enable our agency to work remotely as long as necessary.

It's clear that the uncertainty surrounding COVID-19 has a massive impact on the entire country, as well as your YMCA and community. The pandemic will have substantial repercussions for our Ys and the people we serve. But we believe that there's an extraordinary opportunity to innovate, collaborate and serve.

Our team is here for you and ready to help with strategic positioning, program and fundraising reinvention, or just a sympathetic ear.

Contact us at hello@colaluca.associates to schedule a free consultation call.

After you and your Y have gone through this storm, there will be little you cannot achieve. We are here to support you throughout this journey.

Peace,
Damon
