

Stages Indoor Cycling

www.stagesindoorcycling.com

Dear NAYDO members,

What a strange time this is! As we continue to learn more day by day, it seems like a stretch for anyone to get back to our daily operations and travel (and for life to resume back to normal) this month.

Most of you know how convenient it is to be able to jump on a bike and get those feel-good exercise endorphins from the comfort of your home. If you're stuck working at home with scheduled meetings, home schooling and more, agility is a blessing right now.

Stages Cycling studios around the world have taken quick actions to help their members continue their exercise routines by offering amenities such as 30-day bike, weight, and shoe rentals, selling their bikes to their members, hosting virtual cycling and other types of exercise classes, and getting creative to maintain ever-so-important relationships with their members. There are so many stories of kindness happening in spite of the chaos.

To help branches keep your members active from their homes, engaged with your cycling programs during this stay at home directive, and maintain those important social connections, Stages would like to extend a special offer to our NAYDO community. Stages is offering branches a 25% discount on our SC2, SC3, and Solo bikes to allow branches to extend a discount, should they choose, to their members. To purchase, please contact Kristin Markey at kmarkey@stagescycling.com.

We wish you and your family members all the best. Please stay safe!

Sincerely,
Team Stages
