WHAT IS BOARD FUNDRAISING PRO?

Board Fundraising Pro is an economical, high-impact solution for training your board members to be strong, confident fundraisers. The online program provides step-by-step planning, direction, and training for your entire board at one low monthly price. The goal is for everyone on your board to feel they can be comfortable and effective fundraisers.

Board Fundraising Pro comes out of decades of experience with boards. It's my solution to all the issues that frustrate board and staff members alike:

- lack of funds for in-person training
- lack of time to pull everyone together
- the challenge of providing training only to bring on new board members who missed it
- lack of staff time to give board members the training, support and motivation they need to do their work
- not knowing what exactly to do even if there is time
- feeling you're the only organization struggling with this
