Small Group Discussion Notes
Ruth: Faithful Love
Week 7
Ruth: Faithful Love- Renewed and Sustained
March 9, 2025

Warm Up
Share about a time when the Lord met a need in a surprising way.

Digging Deeper
Read Ruth 4:13-22

Which character in the book of Ruth has stood out to you the most? Why?

How does the women's prayer for the name of Ruth's son to be famous in Israel, connect with the idea of witnessing and testifying, as we looked at last week?

Put yourself in the shoes of Naomi and Ruth. What sorts of feelings and emotions do you think they experienced as a result of the birth of this child?

It is through Ruth that we see the line of David, from which Jesus is a descendant. What is the significance of the inclusion of people like Ruth in this family tree?

What has stood out to you the most about the way God worked in and through this story?

Consider what you know about God. How does the story of Ruth, reinforce those beliefs, challenge them, or cause you to gain a deeper understanding of who God is?

Next Steps
How does the story of Ruth challenge and/or encourage you?

In what ways do you see God renewing and sustaining you?

What are some areas where you continue to pray for God to work in your life?

Final Thoughts
Faithful love can be hard for us to demonstrate...but God is very, very good at it.
