Multiply - Week 3

Tell Your Story

October 11, 2026

Liz Jessen

Warm Up

If your group hasn't done it yet, use today's small group time to share your testimonies. What is your favorite Bible story?

Digging Deeper

READ Mark 5:1-20

Use the following inductive Bible study steps to explore this passage.

1. Observe - What do you notice in the text...What is the context? What is happening? Who are the characters? What ideas or words are being repeated? Spend time asking these types of questions

2. Interpret - What is being said in the text...What is being communicated? Why is this passage important? What is the meaning of this passage? Take time to ask questions that go beyond observation and dig deeper into the text.

3. Apply - What do I do with this information...How does this impact my life? How does this impact my understanding of who God is? What can I take from this text and apply to my daily circumstances? Ask questions that get personal and help you to apply what you have learned.

Next Steps

Eyes to see - Where do you see God at work in your life right now?

Ears to hear - Where do you see God working in the life of your small group?

Mouths to speak - What might stop you from telling your story? What would help you share your testimony?

Final Thoughts

Pray and ask God for an opportunity to share your testimony with someone this week.
