

# WORKSHOPS

## Network Conference 2018

<b>Workshop #1</b> 10:45-11:45 am	
<b>Missional Impact of the Holy Spirit</b> Speaker: Dr. Joseph Dimitrov	In this workshop, Dr. Dimitrov will show us the Holy Spirit's powerful and historic role in effective evangelism for the local church with practical illustrations and abundant scriptural evidence. It will challenge your thinking and provide meaningful insight to any leader interested in reaching lost people.
<b>Workshop #2</b> 1:15-2:15 pm	
<b>Contemporary Pentecostals</b> Speaker: Rob Ketterling	Rob's practical workshop will show you how a growing contemporary church helps people receive the Holy Spirit and walk in His power, using an off-site retreat setting.
<b>Exploring our Pentecostal Roots for an Empowered Future</b> Speaker: Don Detrick	The Pentecostal movement began more than a century ago in the USA with the continuation of the Acts 2 model and Joel 2 prophecy. How can we wrap our hearts, heads, and hands around those historical, biblical and theological lessons, and what can we learn from our heritage that will help us become better Spirit-led visionaries and dreamers in the 21st century?
<b>Outward-Focused Gifts for the Market Place</b> Speaker: Dave Cole	The Gifts of Holy Spirit are experiences often related to what happens within the four walls of a church. Could it be that God intended the Gifts of the Spirit to also help believers evangelize and minister to those outside the four walls? We will take an in depth look at the purpose and use of the gifts.
<b>The Power of Ministry Moments: Creating experiences that will impact your team and your church</b> Speaker: Beth Backes	People are impacted by significant experiences. Scripture details encounters with God that changed the trajectory of people's lives. Learn what recent research says about how you can create moments that will add lasting value to the staff you lead and those you minister to.
<b>The Truth about Generation Z</b> Speaker: Micah Cruger	Constant change seems to be the norm in youth ministry, but how do we know what effective ministry will look like with this emerging generation? Join us for a conversation about the youth ministry of the future.
<b>Everyone's a 10!</b> Speaker: Josh Wood	1 Corinthians 12:14 "Even so the body is not made up of one part but of many." It takes each person, working in their strengths and giftings, for the work of the church to be fully effective. Let's talk about some ways to get more of our people functioning in active ministry.
