

Instructions

We encourage each of our churches to send a lay delegate to the Network Conference. The following are directives from the Bylaws, Article VI, Section 4:

- One delegate per church.
- Each church delegate must be 21 years of age or older.
- Each church delegate *must* present an official letter of appointment signed by the Senior/Lead Pastor and the Secretary of the Board that he/she represents. The certification form at the bottom of the page will be accepted as fulfillment of this bylaw requirement.
- Whenever possible, the delegate should be a member of the church other than a member of the pastor’s household.
- Expenses of the pastor(s) and the delegate to attend should be defrayed by the church that they represent. Churches contributing to NETpartners during 2018 may register their church delegate at a rate reduced from the regular church delegate price.
- Each delegate should present a full report of the Network meeting to his/her church.
