Updated NWRR Spring Camp Information**

## **A 2021 NWRR Certified Worker form is REQUIRED for overnight adult campers**

Please consider a later departure time on Sunday to allow your outpost to stay and assist with camp teardown. Many hands make light work!

**\*NOTE\*** Some NWRR Spring Camp activities will require preparation before camp. Please review the packet carefully regarding events and tournaments.

**SCHEDULE:** Due to the wide range of games and events in a limited duration, boys must make choices about what they choose to participate. It will not be possible to “Do It All”. Please see the scheduled events that overlap and share it with your boys so they can “Choose Their Own Adventure”.

## CAMP MEALS

Camp meals, including staff, are the responsibility of each individual outpost for all meals except for Saturday dinner. This year we will have a FCF Camp Grill for our Saturday dinner. Please be cognizant of trash. This meal will consist of all sorts of hamburgers (cheese, no cheese, bacon, no bacon, etc.), baked beans, corn on the cob and fruit punch.

*Dietary restrictions such as allergies, etc., should be considered and accounted for by each outpost and communicated to camp staff prior to camp. We have planned for gluten intolerance and will have gluten free bread, but if the intolerance is severe, we cannot guarantee there is not cross contamination.*

## VOLUNTEERS

Division Spring Camps will provide each leader at camp with an opportunity to serve in at least 2 time slots. There will be a sign-up sheet located at registration for each adult leader (Pastors excluded) to choose at least 2 areas of camp service, on a first come, first served basis. These opportunities will include game judges, cooks, servers, parking lot attendants, shooting sports assistants, etc. For advanced requests, please email [RRangerLloyd@Yahoo.Com](mailto:RRangerLloyd@Yahoo.Com) and designate where you want to volunteer and for which camp (Central / NW / East / MCP-SW. Men who complete their service hours earn a chance to win a [RYOBI 18-Volt ONE+ Cordless AirStrike 18-Gauge Brad Nailer](#)

## OUTPOST GUESTS

A core value of our camps is to serve as an evangelistic outreach. It's an adventurous place for your boys to invite their friends to introduce them to Rangers and **more importantly to Jesus!** Please encourage your future men to invite their school friends, neighbors, and sports teammates. Help build their confidence in sharing the gospel while you gain an opportunity to help a boy find an everlasting relationship with Jesus Christ. **Printable posters/flyers are available on [https://www.nwministry.com/ministries/nw-kids/ministries\\_18366/royal-rangers.html](https://www.nwministry.com/ministries/nw-kids/ministries_18366/royal-rangers.html) to help your Rangers invite their friends.**

## THE 'BOTTOM LINE'

The Northwest Royal Rangers Division Spring camp is a camp with a purpose! Designed to energize and excite every boy in your outpost, church and community – from the youngest to the oldest. It is a time to adventure together with your young men and to give them a taste of the many things that the church and Royal Rangers has to offer. It is also a time of revival as we attend Spirit-filled services and worship to reach the lost as well as bolster the weary warrior. We have worked hard to make it as easy as possible for a local outpost or youth group to enjoy camp at an affordable cost with minimal camping gear. We have tirelessly sought supply, equipment and service donations to maintain the lowest camp cost possible and provide a great value to each camper present. For as low as \$75 for pre-registered (15% discount for chartered outposts), campers will receive camp admission, a hearty group meal Saturday night, access to more games and events than they have time for, a Velcro-backed patch, Camp Shirt and a life changing experience they will bring back to their homes and schools. Come join us, invite your Ranger's friends, your Pastors and dads, and let's worship together!

# PRE-REGISTRATION

**All adults must pre-register to be permitted to stay overnight on the camp grounds.** Due to NWMN insurance policies, **each overnight adult camper must be listed on the signed NWRR 2021 CERTIFIED WORKER FORM on file for their outpost.** This form is available on [https://www.nwministry.com/ministries/nw-kids/ministries\\_18366/royal-rangers.html](https://www.nwministry.com/ministries/nw-kids/ministries_18366/royal-rangers.html) and should be turned in by **Friday, April 16, 2021**. It is greatly encouraged that boys pre-register as well. Boys under 18 will be permitted to register at the gate. They must provide the required fees for admittance and must be registered using the online form submission.

## Pre-registration is EASY!

- 1) Parents/Guardians must complete and e-sign the online registration for their camper (whether an overnight or day camper) at: [https://www.nwministry.com/ministries/nw-kids/ministries\\_18366/royal-rangers.html](https://www.nwministry.com/ministries/nw-kids/ministries_18366/royal-rangers.html). **Printable post cards are available on [https://www.nwministry.com/ministries/nw-kids/ministries\\_18366/royal-rangers.html](https://www.nwministry.com/ministries/nw-kids/ministries_18366/royal-rangers.html)** to direct parents to our website and provide them with your outpost number. Adults/Leaders must complete their own registration.

Outpost coordinators can submit payment for the entire outpost to the NW Ministry Network. Adult campers may register after May 28, 2021 provided they are listed on their church's "NWRR 2021 CERTIFIED WORKER FORM"

**"NWRR 2021 CERTIFIED WORKER FORMS" and payments should be submitted electronically or postmarked on or before April 23, 2021. Your registration (and price discount) is not complete until we receive payment by the postmark dates above.** Outpost coordinators are able to log on to the Northwest Portal and access a list of campers registered from their outpost along with payment history and registration status. Tickets/credits may be used by any camper regardless of original payor, but refunds will not be issued for unused tickets/credits.

## ON-SITE CHECK-IN

An info booth will be maintained at registration for coordination and informational purposes. During registration, the Outpost Coordinator or other designated leader is responsible for turning in any required paperwork and paying the fees for each camper before a campsite will be issued. Upon arrival, please be prepared for your entire party to disembark the vehicle at registration. We will check in each camper and **verify every adult's picture ID** before admission. Each adult's photo ID must match his name listed on the application for admittance. A complete pre-registration will greatly accelerate this process as names, fees and paperwork will be verified in advance. **Outposts who are completely pre-registered will be admitted through an express lane and greatly expedite their process on-site. Boys registered at the gate must have had forms pre-submitted online via BrushFire.** Payment for on-site registration or any other remaining outpost balance is due before entering camp. Unused registration fees will not be refunded. No adult registration transfers will be permitted after the pre-registration deadline. If a pre-registered boy is unable to attend, we greatly encourage you to invite another boy in his place!

## FCF ACTIVITIES

The FCF Village will be open for viewing and demonstrations on Saturday. Those camping in the FCF Village will be displaying FCF trades, items and other skills for the enjoyment of the boys. Demonstrations and activities will include knife & hawk throwing, beadwork, leather and/or wool pouch making, blacksmithing and more. All new

members that completed their FCF requirements and attended the 2020 Frontier Adventure will be able to participate in the “Call Out” recognizing them at the Saturday afternoon assembly. The only black powder shooting will be by members who hold a Black Powder Shooters card and will only be for demonstration purposes only.

## AWARDS

### **NETWORK COORDINATOR’S AWARD:**

The Outpost with the most gold medals for each division will receive a traveling trophy to be kept for one year on display by the Outpost. Outposts with 20 or more campers will compete in the Blue division, while outposts with 19 or fewer campers will compete in the Red division. The receiving outpost is to return the award the following year so that it can be awarded once again. Boys will earn tickets or medals for participation in all facets of the camp. NWRR Spring Camp staff will also randomly award tickets throughout camp whenever they observe a boy exhibiting specific points of the Ranger Code. These will be in addition to those earned by boys who win games and competitions and outposts who win team awards. Outpost numbers will be written on each wristband for your Ranger’s to quickly identify themselves. All tickets should be deposited in the master ticket box located near the store for counting.

**BEST OUTPOST ENTRANCE:** Medals will be awarded to each outpost in the section whose camp entrance is voted “Best in Camp”. Extreme

preference will be to entrances that match our theme.

**BEST PATROL INSIGNIA:** Points will be awarded for best patrol insignia in the Discovery, Adventure and Expedition Rangers categories. An insignia is a distinguishing mark or token of your patrol. It can be anything that distinguishes your patrol, a flag no larger than approximately 20”x20”, a banner, a t-shirt, bolo/necklace, etc. This definition is intentionally broad in definition to allow the boys in their patrols as much creativity as they desire. There can be multiple patrols from each age group from each outpost. A patrol can be created specifically for this camp or one that is pre-established at the beginning of the RR year, etc. It can include all age groups for smaller churches or smaller groups attending camp. Mixed groups will be judged with the age group of the oldest member of the patrol.

**DISCIPLESIP TRAIL:** We will provide a section of camp for leaders and Pastors to take a small group through. Both men and boys should

come prepared to be challenged together. Participation awards will be provided after an adult certifies completion. Those who participate will be entered to win one of the available prizes. One young man from each age group will be selected to choose from the available prizes: a set of Apple AirPods Pro headphones, a Nintendo Switch, or a Drone.

## **OUTPOST VIDEO CHALLENGE**

Outposts are asked to create NWRR Spring Camp videos prior to camp with the suggested theme: “Why I can’t wait until NWRR Spring Camp!” Videos should be posted to the NWRR YouTube Channel. We will link winners to the network webpage and award medals for participation and excellence. For instructions or guidance please email [RRangerLloyd@Yahoo.Com](mailto:RRangerLloyd@Yahoo.Com).

## **PATROL INSIGNIA JUDGING**

Conducted at the assembly area during Sunday School, the patrol items will be judged by age group. Judging will be on the basis of originality, quality, effort expended, and appropriateness. Please see definition of Patrol Insignia under Network Coordinators Award section. Hint, this is not just a flag.

**GAMES:** Participation Raffle Tickets will be given to each boy completing a game. Winners will be given bonus tickets. These tickets should be deposited into the camper’s outpost ticket box located at the camp store for counting/scoring. Some games will result in overall camp placing which will also count towards the District Coordinators’s Award. Medals will be awarded for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place in each age category.

## **ASSEMBLY SKITS/HUMAN VIDEOS**

We will feature a select few outposts to entertain us during service time with their best skits, human videos and A/V productions. Slots will be on a first come, first served basis and medals will be given to participants and “Best in Class”. All skits will be viewed and pre-approved by the Camp Commander prior to services.

## **INITIATIVE GAMES**

Challenges similar to those found in your Leadership merits will be provided for outposts to solve together. Medals will be awarded for completion. These games will test your boys’ ability to work together and critically

# AIRSOFT COMPETITION

Airsoft will be open to everyone who brings their own equipment to play. Play will be organized into team competition of various types (elimination, VIP, capture the flag, etc.). Game rules will be discussed before each round of play. Airsoft will be open from 11 to 2 on Saturday.

Airsoft guns will be turned in at registration, and kept locked until time of play. Please label your equipment or place it in a labeled bag/case. Equipment will be available for pickup by the Outpost Coordinator at the camp store.

All style guns will be permitted (manual spring, co2, electric) as long as they are rated at 400fps and below and 0.2g/6mm plastic BBs will be provided for play. Each player and spectator will be required to bring and wear wrap around safety glasses (regular eyeglasses alone are insufficient). Some extra safety goggles will be available, but you are not guaranteed a pair so please plan to bring your own.

Tournament judges reserve the right to remove any player due to equipment, or action at their discretion.

## 6 MAN FOOTBALL RULES

### TEAM DIVISIONS

Division 1: Teams with Expedition Rangers

Division 2: Teams without Expedition Rangers

Each team should be comprised of no less than 6 players, and not more than 11 players. If you have 12 or more players, please form 2 teams so that each boy will get to play more time. Every boy on the team must play a minimum of 12 plays during the course of any one game. No one player may play quarterback for more than 3 downs and may not return to the quarterback position until 3 more downs have been played.

Teams in Division 1 level may have no more than 2 Expedition Rangers on the field at any one time, however they may have as many or as few Adventure or Expedition Rangers on the team as they want, within the player limits. Teams in Division 2 may have no more than 3 Adventure Rangers on the field at any one time.

### THE FIELD

Length: Approximately 40Yds (not including end zones)

Width: Approximately 25Yds

End zone Depth: Approximately 10Yds

### THE GAME

The game will consist of two 8-minute halves (Running clock no timeouts except in case of injury and all games will take a time out at that time). There will be a 2-minute half time. Time is started by the sound of a horn and will stop by the same sound, if a play has already started before the sound of the cease play horn the play will be allowed to continue.

Team to get the ball first will be decided by chance. The team that wins the toss will get the ball first while the other team will start the second half with the ball.

Teams need to wear the same color T-shirt, and must wear them tucked in. This is not a shirts and skins game and you **must** have a shirt on to participate. In the event two teams facing each other have the same color shirt one team will be asked to turn shirts inside out. Cleats are NOT permitted for this event any player wearing them will not be allowed to continue to play until his shoes have been changed. **No sandals** may be worn during the competition.

The Referee is the official score keeper and will announce the score at the start of each series.

**RULES OF THE GAME:** Rules will be similar to those of **UPWARD** flag football and will be provided to every outpost in their registration packet. This is a more friendly, but safe and competitive form of flag football. Upward Flag-Football & Cheerleading of Spokane Valley is donating the use of their gear for our use. If you are interested in learning more about Upward Sports in your area, please visit [www.Upward.Org](http://www.Upward.Org).

## **DISC (FRISBEE) GOLF**

**Objective:** Disc Golf is played like traditional “ball” golf, but with flying discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the least throws possible. The player with the lowest total throws for the entire course wins.

**Course Map:** A course map, scorecard, and limited number of discs will be available at the camp store. You can bring your own, but it is not required). Any manually propelled discs will be permitted. Upon completion of the course, return the scorecard and any borrowed discs to the Camp Store.

**Tee Throw:** Tee throws must be completed within 10 feet of the post.

**Lie:** The lie is the spot where the player’s previous throw has landed. The player’s subsequent throw is made from directly behind the lie.

**Fairway Throws:** Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 yards of the target. Any shot within 10 yards of the target requires that the player not move past the lie until the disc is at rest.

**Completion of Hole:** A disc that hits any part of the post constitutes successful completion of that hole.

**Unplayable Lie:** Any disc that comes to rest above the ground is considered an unplayable lie must be relocated and a penalty of one stroke for that hole.

**Scoring:** Each player records his own score for each hole on a score card. Add one point for each throw and one additional point as a penalty for relocating your disc from an unplayable lie. Lowest score wins.

# NWRR SPRING CAMP MAP

This year's NWRR Northwest Division Spring Camp will be held at Camp Sedro-Woolley in Sedro-Woolley, WA. Find the camp on the west side of Fruitdale Road by following the marked road signs to 6414 North Fruitdale Road, Sedro-Woolley, Washington, just 15 minutes east of Interstate-5.

# SPECIAL POLICY NOTES TO LEADERS

**CHARTERING:** NWRR Spring Camps are open to chartered and unchartered outposts and groups. Outposts and individuals attending NWRR Spring Camps who plan to charter need to do so prior to submitting their pre-registration to be eligible for applicable discounts. Charter status will be determined on the date of submission/postmark.

**PARTICIPATION/VISITORS:** NWRR Spring Camps are designed for Discovery, Adventure, Expedition Rangers and **adult male** leaders. **Pastors, outpost committee members, dads, deacons, and other leaders are welcome to attend, but must be listed on the “NWRR 2021 CERTIFIED WORKER FORM” in the forms section.** All adults 18 years of age and older that attend must be listed and approved via signature from a pastor on behalf of the leader’s church. *We recognize that some outposts have female leaders who are vital to the success of the outpost. Female commanders are welcome to participate, but they are not to be in the boys/men camping area without an adult male escort and only during the Saturday visiting hours listed on the camp schedule. **There will be a female commander camping area and all men and boys should remain outside of that camping area at all times, no exceptions.** All Visitors are required to comply with all camp rules at all times.*

**CONDUCT:** There will be absolutely no tobacco, alcohol, or illegal drug use or possession tolerated at any time. Water is off limits except when specifically permitted and supervised by a **NWRR Spring Camp staff member** during specified games and activities. Please make outpost visitors aware of these guidelines. Leaders are expected to monitor the behavior and location of their group at all times. There will be a **Safety & Hospitality Team** patrolling the area to ensure everyone’s safety and maximize your experience to the fullest. **We do ask that no concealed or open carry is permitted at NWRR Spring Camps. Our Safety & Hospitality Team will ensure the safety and security of our camps.** If you have questions about this, please contact our District Coordinator Lloyd Fillis ahead of camps as these types of conversations will not occur at camp. We reserve the right to ask any visitor, participant or staff member to exit the premises for any conduct we deem unacceptable. No refunds will be issued.

**DAY PASSES:** We are offering a day pass option this year for those who want to come out and spend the day Friday or Saturday. Participants who register for a day pass will still have their scores counted in competitions, receive a patch, and enjoy the Saturday meal from the Camp Grill. Day passes for leaders, Discovery, Adventure and Expedition Rangers and other guests are available for chartered and non-chartered outposts. Prices are listed on the NWRR Spring Camp event page. Day pass and visitor hours include:

FRIDAY - 10 AM until the evening service ends

SATURDAY - 9 AM until the evening services ends

**ARRIVAL AND DEPARTURE:** Please do not plan to arrive at NWRR Spring Camp prior to 10:00 am on Friday. All outposts should plan to leave the area no later than 2:00 pm on Sunday. If your outpost needs to leave camp prior to the conclusion of camp at 10:00 am Sunday, please make special arrangements **ahead of time** so NWRR Staff camp accommodate this need. All campsites will be inspected and approved by a camp

staff member (or appointee) before your outpost will be able to leave the property. We are stewards of the land that the Lord has allowed us to utilize and want to treat it as such.

**PATROL/OUTPOST INSIGNIA:** Please bring your groups' patrol insignias to NWRR Spring Camp and carry them to all group meetings. We will have patrol insignia judging as an outpost competition. Judging will occur during Sunday School by the NWRR Spring Camp staff. See definition of "Insignia" above. It is intentionally left broad and this does not have to be a "patrol flag".

**LEAVING DURING CAMP:** Boys will not be allowed to leave the NWRR Spring Camp site until the conclusion of camp. In case of an emergency, please notify a NWRR Spring Camp staff member. Those leaving must notify the registration staff.

**PROVISIONS & SUPPLIES:** Each outpost should provide its own water, shelter, food and other necessary items or make arrangements with another outpost/group to assist.

**CAMPFIRES:** Campfires are allowed at outpost campsites during NWRR Spring Camp; subject to potential burn bans. Ground fires are to be built **above ground only** and fire "pits/holes" are prohibited.

**EXCAVATION, TREE CUTTING AND CLEAN UP:**

Do not cut or damage any standing/live trees, bushes or other vegetation. Please clean up your campsite before leaving and please plan to carry waste and recycling back with you at the conclusion of NWRR Spring Camps. All unburned firewood should be taken with you or stacked nicely in a centrally designated area. As we are guests, leave everything better than you found it!

**WATER:** Water will be provided at spigots in camp. Encourage your boys to bring canteens or other portable water containers during the activities.

**RESTROOMS:** Portable restrooms will be set up strategically throughout the camp in high-traffic areas. One restroom will be reserved for ladies visiting the camp. Please respect this policy and ensure that all facilities are kept clean and proper behavior is exhibited near the restrooms.

**DRESS:** Please plan to wear the 2021 NWRR Spring Camp t-shirt on Saturday that will be provided to registered overnight campers. Boys and leaders are encouraged to wear their outpost's uniform (utility, dress, or special) at morning assemblies. Since weather in the Northwest is difficult to predict, prepare boys for warm, wet and cool weather.

**ASSEMBLY ATTENDANCE:** Attendance at evening Council Fire services is **mandatory** and **will be enforced**. Because we are the boys' examples, we ask that leaders attend all the general events with their boys. During evening services, there is no need to keep a leader at the campsite as security will be on patrol. The main purpose of NWRR Spring Camp is the spiritual emphasis that takes place during the evening services and throughout the event between the boys and leaders. Making sure you and your boys are at the evening service will ensure the Holy Spirit has the opportunity to move in each life. What a privilege!

**FIREARMS AND FIREWORKS:** WE DO NOT PERMIT INDIVIDUALS TO BRING FIREARMS INCLUDING CONCEALED HANDGUNS, AMMUNITION OR FIREWORKS OF ANY KIND TO NWRR SPRING CAMP FOR ANY REASON. Firearms for shooting sports events will be provided by NWRR.

The only exceptions to this rule is FCF Members displaying firearms at the FCF Village and NSSP Shooting Sports Teams who have their own equipment. All NSSP equipment should be clearly marked on the outpost of the case(s) and will be turned into registration by the designated leader and will only be checked out to the leader(s) listed and will not be checked out directly to the boy(s). FCF'ers: black powder shooting will be for demonstration purposes only and only if you have a Black Powder Shooters Card from a nationally recognized organization (NRA, etc.) Only FCF'ers with said card are allowed to shoot.

**PETS/WILDLIFE:** NWRR Camp has a no pet/domestic animal policy. All wildlife onsite must be left unharmed and remain on the property. Wildlife should not be provoked or harassed. Good effort should be shown to preserve wildlife. Any encounters with wildlife that necessitate or result in harvesting wildlife should be reported immediately.

**PERSONAL PROPERTY:** The Northwest Ministry Network of the Assemblies of God, Inc. and it's affiliate Northwest Royal Rangers are not responsible for lost, stolen or damage personal property.

**GENERATORS:** Generators are permitted at camps for CPAP machines and other medical devices or general camp area needs - please bring any needed extension cords. These are not provided by the camp and all extension cords should be properly covered and/or marked with caution tape to prevent trip hazards. Additionally, every attempt to muffle the sound of generators that need to run overnight should be made so as not to reduce the enjoyment of camp for non-generator users.

**ATV's / Golf Carts / Buggies:** Only ADA required and approved vehicles are approved for camp transportation. Most of our camps are small enough that there will not be a need for ATV's or Golf Carts. Please contact [RRangerLloyd@Yahoo.Com](mailto:RRangerLloyd@Yahoo.Com) in **advance** of the camp to obtain your **NWRR License**.

**TOOLS:** Only hand tools should be used to prepare your campsite. Mowers and all other power tools are prohibited for safety reasons. No double-bit axes are permitted.

**ELECTRONIC DEVICES:** We would ask that leaders encourage their boys to use their phones and other devices to share their NWRR Spring Camp experience via social media such as Facebook, Twitter and Instagram. More information will be given before and during NWRR Spring Camp. We ask that leaders assist in ensuring devices are not used for entertainment purposes such as gaming/movie watching or during inappropriate times such as altar services, Sunday School, devotions or after "lights out". Leaders should be aware that devices may be used to access potentially inappropriate content and limit access as necessary. Please see the section on PERSONAL PROPERTY regarding responsibilities.

We also ask that all Leaders only use your personal electronic devices for similar purposes as the boys, but we also recognize that your ability to attend could be because of these devices; please use your best judgement in doing so.

**VEHICLES:** Vehicles are **not** to be left in the camping area for any reason. No vehicles are to be driven during the camp (for safety reasons). Exceptions include emergency and staff vehicles. Any other exceptions **must be approved** by the District Director **prior to camp** and all designated vehicles must display a necessary staff placard on the dash.

**COOK TRAILERS:** Cook Trailers are permitted to be left in the camping area only if they are used for the preparation, storage and distribution of meals and food service type supplies. Please do not leave other trailers in your camp area as they do reduce the overall aesthetics of the camp. Also, please detach the vehicle that pulled the trailer no matter if you need it for power or not; cook trailers only.

**CAMPSITES:** All age groups will camp in one area as an outpost. You are encouraged to camp by age groups (Discovery Rangers, Adventure Rangers, and Expedition Rangers) within the Outpost campsite and promote the patrol system as much as possible. Adults camping in the same tent as minors is not recommended by NWRR. Should this be acceptable to your outpost it must at a minimum follow the rule of 2-Adults at all times and have a separate sleeping area in the tent away from the boys. It is never acceptable to have 1 adult in a tent with 1 boy unless said adult is in the immediately family.

**SOCIAL MEDIA:** We ask that your posting does not interfere with your ministry to the boys and young men and each other. We do ask when you post that you use the following hashtags: #NWRR #NWRoyalRangers #RoyalRangers #NW\_Kids and other tags that designate your church and/or outpost. We ask that you make sure you have appropriate permissions and that you follow protocols your states laws.
