The Gospel According to Ted Lasso - By Rev. Matthew Titus

"You Are Not Alone."

Join Pastor Drew in various coffee shops in Oceanside on Thursday nights to "discuss the many ways that God's love and presence shine through the many characters, situations of this show. You will laugh, cry and revel in the true authenticity of what it means to serve and be with others."

Some helpful suggestions:

Ted Lasso is aired on Apple TV

Caution, Ted Lasso is adult themed with adult language.

We recommend that if you haven't experienced the show to give it a full 4 weeks to allow the characters and story to fully develop.

You don't have to know anything about soccer (UK Football) to enjoy Ted Lasso. He doesn't either!

Use subtitles if you aren't used to UK English, some characters are tough to understand!

This show can get pretty authentic and real, but it also doesn't follow all the sports stereotypes.

Please email Pastor Drew at PastorDrewDavis@gmail.com for meeting locations and more info
