Alexa is graduating from Brunswick summa cum laude. She was heavily involved in extracurriculars as a student council officer, member of VOFT, and member of HUDDLE. In addition to these extracurriculars, Alexa was one of the founding members of Brunswick High School's Christian Apologetics Club.

Alexa has been an enthusiast of art her entire life. This is evident in her zeal to take on challenging art classes and projects (such as crafting her own prom dress). Some of her art was even published in *Celebrating Art Magazine*. Matching her love for art is her love for animals. She adores her leopard-gecko, Slinky (who she rescued at the brink of starvation), as well as her cats and dog. Whenever outside, Alexa loves to look for, and if possible, interact with the wildlife, earning her the title Master Frog Catcher. Alexa has been blessed with the ability to recognize the beauty of God's creation, opening her eyes all the more to the beauty of God Himself. "But ask the beasts, and they will teach you; the birds of the heavens, and they will tell you; or the bushes of the earth, and they will teach you; and the fish of the sea will declare to you. Who among all these does not know that the hand of the LORD has done this?" (Job 12:7-9).

Creative, charismatic, caring, artistic, and intelligent are but a few of the wonderful qualities embodied in Alexa. These character traits, along with the guidance of wise mentors, have led Alexa to seek a career in teaching art, which she will prepare for in the University of Akron's art education program.
