

Welcome to the University of BRC!

Great news! You have been accepted into the University of BRC. There is no tuition, no dorm rooms, no all-nighters, and no cafeteria food. There are opportunities to learn, grow, and be transformed into the image of Christ while studying the Bible with other Christians. This semester we are having a number of opportunities for people to get into the Word in many different groups. Below are the opportunities for the fall.

Sunday Morning opportunities:

9:00am The New City Catechism: Taught by Pastor Jay
This is a topical study of the fundamental beliefs of our faith from a question and answer perspective. This study incorporates the Heidelberg and Westminster Catechisms and will have lots of discussion and time to work out all of the different ways we think about God. One other great thing about this study is that it is church wide, the youth will be studying this at 9, and the young children studying it at 10:30. **Starting September 9th**

10:30am Lessons I've Learned Along the Way:
Taught by Don Poest
When Don retired a group of Pastors asked him to share some "words of wisdom" that he had learned through the years. He came up with 8 and has added a few since then. Each week the class will discuss one of Don's lessons and the Biblical basis behind it. Here are 2 examples: "Live like you've read the last chapter", and "As I grow older, I have fewer answers, but more certainty."

Starting September 9th
