

Kids Hope USA - David Morgan: Kids Hope is a great ministry that matches a church with an elementary school. We are blessed to be able to reach out to kids in a public school setting! We are always looking for more mentors willing to spend 1 hour a week (during the school day) to meet with a child, help them with academics, social skills, talk with them, and really be there for them with whatever they are struggling with. Mentors must be willing to consistently give one hour a week to their student, and also get a school board background check done. There may also be a few events throughout the year they would be asked to attend.

Children's Ministry – Michelle Morgan: We offer children's Sunday school during 10:30 service for ages Pre-K through 5th grade during the school year. Occasionally during the school year and all summer we offer children's church for Pre-K through 3rd grade instead. We do look for volunteers to teach / help with children's church and sometimes substitute for teachers. Volunteers do need a background check.

Vacation Bible School – Pastor Jay: Vacation Bible School is our summer night's week of fun and Bible teaching for kids. We will have a bigger sign up when we get closer to VBS, but the week for 2019 is scheduled for June 24-28.

Nursery - Cheryl Carlisle: Our nursery staff lovingly and patiently care for the little children of our church during the 10:30 service each Sunday. To volunteer you will need to be background checked, and be available about once every two months to be in the nursery instead of in the 10:30 service.

Worship Team/Sound Tech - Pastor Dan: The worship ministry of BRC leads our congregation every Sunday in corporate praise. The team is comprised of singers, musicians, and computer and sound techs. All roles are rotational, meaning that no one serves every week. Those who have gifts in these areas are welcome to apply for this ministry.

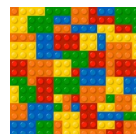

Hospitality - Donna Cook: Hospitality provides snacks and drinks for our church family in between services and after the 10:30 service. The requirements to be on the team are a willingness to serve graciously, and to be able to provide the snacks and drinks about once every 6 weeks.

Ushers/Greeters – Pastor Jay: Ushers and Greeters are our first line of interaction with new people coming to our church. Greeters stand at the front door and greet people as they enter. Ushers hand out bulletins, and collect the offering during the service. The rotation for ushers and greeters is about once a month only on Sunday mornings.

Green Thumb – Ilze Fultz: The Green Thumb team takes care of the beautiful flowers and landscaping that is outside of the church. They are in need of helpers for spring planting, weekly maintenance/weeding, dead-heading, daily watering (weather dependant), and apprentices willing to learn about the plants, how to care for them, to eventually take over (within a year or two.)
