

Prayer Concerns

Please be praying for all of our members, friends, and family members that are on the front lines protecting people from and treating people with COVID-19. And be praying for those that have lost their jobs because of this disease.

Please be in prayer for Donna Jamiol's nephew Ryan who has tested positive for COVID-19. Please lift up Ryan and his wife, and Donna's whole family to stay healthy.

Annette Haynes asks us to pray for her Aunt Rita and their family. Her aunt has been battling cancer for several years and has found out this week that it has spread to her liver and lung. Please lift her their whole family especially Annette's Mom who is taking it very hard.

Please also keep Pastor Don and the entire vision 2020 team that is meeting weekly until our shortened General Synod in the Fall. Our denomination is at a crucial point and we need as much prayer as we can get.

Continue faithful in prayer for those with ongoing health concerns: Rhonda Blauser, Biagio Boytim, Marie Buser, Cora Carroll, Bob Cooperrider, Rick Demeter, Nancy & Bob Hanwell, Rose Murray, Eileen Raich, Gini Reinke, Kathy Rogoff, Margaret Zapotechne & Steve Zapotechne. Continue to pray for our military personnel.

Question 125. What does the fourth request mean?

Answer. "Give us today our daily bread" means: Do take care of all our physical needs so that we come to know that you are the only source of everything good, and that neither our work and worry nor your gifts can do us any good without your blessing. And so help us to give up our trust in creatures and to put trust in you alone.
