**Vincent Taddeo**  
**Calvin Theological Seminary**

Vincent Taddeo graduated from Calvin Theological Seminary with a Master of Arts in Ministry Leadership with an emphasis in Worship. Vinny's history with music started at about age six when his brother began giving him drum lessons. At the same time he began taking piano lessons and theory from Bonnie Pillivant until he graduated from high school. Vinny started playing in BRC's worship team at about the age of 10. Vinny was home schooled for all of twelve years where he participated in many music competitions at Cedarville College. At the age of 9, he was honored as the Youngest Cedarville Participant ever in a Junior-Senior High ACSI Music Festival. Upon graduating from high school, Vinny attended Tri-C for two years and then transferred to Malone University where he received his bachelor's degree in theology. While there he met his future wife, Michelle, and they married a few months after graduation. He was hired by Stanwood Church as their worship leader and performs other administrative duties there. Vinny attended Calvin Seminary remotely for two years with a scholarship. His plans for the future now rest in God's leading him.

We are very proud parents and grateful for the amazing contribution that BRC has made in the development of our boys, both in faith and character. Thank you Pastor Don, Pastor Dan, and many others for modeling your faith and being beautiful Godly examples. The greatest achievements mean very little without glorifying our God with the gifts and calling He has given.

**Anthony Taddeo  
Youngstown State  
University**

Anthony Taddeo graduated from Youngstown State University with a Masters in Music and an emphasis on Composition.

Anthony's history with music began at the age of 8 when he started playing a snare drum. A couple years later he began piano and theory lessons with Bonnie Pillivant until he graduated from high school. For his 13th birthday, we bought Anthony his first drum set. He then started playing for BRC's worship team around the same time. He was home schooled for nine years where he participated in many music competitions at Cedarville College. Upon high school graduation, he attended Tri-C in their Jazz program at the Metro Campus. He finished his bachelor's degree in NYC at the New School for Jazz and Contemporary Music. During those years he married Hannah and they lived in NYC for several years. After returning to Ohio and having two children, he decided to get his master's degree at YSU and received a full ride. While attending there, working full time and being a husband and father, he composed his own music and produced Alla Boara which is a world music group that re-arranges and composes new music based on Italian folk music in order to spread awareness of this little known art form. He also travels around the country performing with various other music groups and is involved in the worship team at his church.

Anthony and Vinny, we are so proud of you both. Our hearts could not be happier with what the Lord has done in each of you. Keep shining your lights in this world and continue to commit your ways to Him. We deeply love you and your little families.  
With grateful hearts,  
Mom and Dad

**Elias LaFramboise**  
**Highland High School**

Elias LaFramboise is a senior at Highland High School. He is also our nephew and the cultural exchange student at Highland. Elias arrived at the end of July 2019, and didn't skip a beat. Less than 24 hours later he was at his first practice for marching band,

and hasn't slowed down. Elias has done very well with his academics, and has made so many wonderful friends. He is active in a Young Life Group that meets in Hinckley. He started a Swiss Club, and it quickly grew too large to meet during the lunch hour. He joined the Highland rugby team, and even though he only played one scrimmage he showed lots of promise. He had also just joined the "Heartbreakers" singing group, but unfortunately all those things ended with COVID19.

We are very proud of Elias, and look forward to seeing what life has to hold for him. We love you to pieces!
