

## Prayer Concerns

Bonnie Pillivant's sister Carol has been diagnosed with a rare form of breast cancer. She has an appointment June 4th with a surgeon to discuss her options. She cannot have anesthesia, so she is hoping they can do a lumpectomy to take care of it. Please lift her up in your prayers.

Katie Patterson has been having a lot of pain in her hand from where she broke it a few years ago, please pray for her.

Please continue to keep Pastor Jay's Aunt Janet in your prayers. She still has sepsis but has made a slight improvement since last week. She also is still not mentally where she needs to be so please keep her in your prayers.

Steph Beck did have her neurology appointment and good news there is no brain bleed or anything very scary and she is slowly getting her restrictions lifted, but the bad news is that they don't know when she will be fully recovered so please keep Steph in your prayers.

Continue faithful in prayer for those with ongoing health concerns: Rhonda Blauser, Biagio Boytim, Marie Buser, Cora Carroll, Bob Cooperrider, Rick Demeter, Nancy & Bob Hanwell, Rose Murray, Eileen Raich, Gini Reinke, Kathy Rogoff, Margaret Zapotechne & Steve Zapotechne. Continue to pray for our military personnel.

Our offering for 5/24/20 was \$9,108.96 towards the annual budget. The month-to-date total offering is \$32,260.15. Monthly budget-to-date is \$33,076.92.

\*\*If you would like to drop off your offering, you can stop by the church Monday, Tuesday, Wednesday, or Friday between 10am-3pm.

**Question 86.** We have been delivered from our misery by God's grace alone through Christ and not because we have earned it: why then must we still do good?

**Answer.** To be sure, Christ has redeemed us by his blood. But we do good because Christ by his Spirit is also renewing us to be like himself, so that in all our living we may show that we are thankful to God for all he has done for us, and so that he may be praised through us. And we do good so that we may be assured of our faith by its fruits, and so that by our godly living our neighbors may be won over to Christ.

**Summer Camp update:** We've made the difficult decision to not have a BRC summer camp week this year for our Middle and High School students. We want to be extra safe and try to provide opportunities that would be a lower risk for exposure to anything bad.

However, Beulah Beach is still having camp but it has been pushed back. There are 1 High School week (July 12-17) and multiple Middle School weeks. You as parents are welcome to sign your students up for camp, just knowing that we are not having any specific "BRC" week, and transportation is not currently being provided.

If you'd like, you can register here - <https://www.beulahbeach.org/overnightcamp/>

We know there's a lot of uncertainty in these times, but know we are working hard to provide safe and spiritually beneficial opportunities for our teenagers this summer. There will be more information about these opportunities soon!

**Do you need a mask?** The Lenarts reached the milestone of making 1000 masks, and they still have plenty if you need any please reach out to us here at the church and we will get you some.

**Our Drive-In service has been postponed to next week 6/7.** We will be able to worship "together" but also from the safety of our own cars. The worship service will still be online for those of you not comfortable with coming to the church yet.

We will be celebrating communion at this service as well so if you are not planning on coming please plan on coming up to church during the week to pick up your communion elements. We hope to see you next week!
