

JANUARY

This year we want to focus on “Good News”. We are surrounded by negativity, tragedy, and all-around “bad news” in this world. But God’s good story, His good plan in our lives is always at work. We just need to have eyes to see it, ears to hear it, a mind tuned-in to the workings of God all around us, and a heart that is receptive to the good that God has brought, and is bringing, into our lives.

There is always “good news”, no matter how dark and depressing our world gets. So let’s focus on the good this year and share stories of “good news” with each other throughout this year.

As long as God’s Kingdom is being built, as long as the Word of God is being proclaimed, as long as the gospel is in play, and as long as the love of Jesus is transforming lives, good things are happening and “good news” will be the result. So where do we see good news happening in us and around us? Where do we see God showing up and showing off His good work in our lives and in the lives of those closest to us?

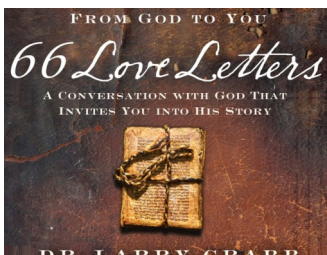

Every month in our BRC Newsletter this year we will be sharing a “Good News” story. We would also like to share these stories in other ways as well throughout the year. Would you help us share some good news by sharing your “good news” story with us? It could be a story of transformation - inward, upward, or outward? A story of what God has done, or is doing, in your life through worship, Bible study, or through serving others. It might be a faith story where your faith was tested, but God proved himself faithful in sustaining your faith. It may even be a story of God’s miraculous touch in bringing healing to your life in some way. Whatever it may be, will you share it with us? Let’s spread some good cheer this year by sharing some “good news!” In 2-3 paragraphs (like this post), please write out your “good news” story and send it to Pastor Dan at dan@b-r-c.org. Thank you!
