

Sermon Title: Planting Churches in a Post Christian Europe

1) Tell us a little about your background and family. Was there anything that may have led you into foreign missions from a young age?

---

---

---

---

2) Tell us a little bit about where you are? Help us to understand Hungary.

---

---

---

---

---

3) How long have you been in Hungary and what is your “missionary job”?

---

---

---

---

---

4) What are some of the major differences between Hungary and the United States?

---

---

---

---

5) With all of that mistrust, how do you evangelize your community? How do you share with the people around you that you have moved to Hungary to plant churches?

---

---

---

---

6) How have you seen God working in your lives and in your ministry?

---

---

---

---

7) How can we as a church support you other than financially?
