

Calvary's mission is to Plant Clevelanders in Christ. Here are 3 examples of how God is helping us accomplish this:

1. **Growing in Christ new members group:** Eight committed participants are growing through scripture discussions, service, and taking care of each other with rides to church, godly counsel, & prayer.
2. **Our Outreach ministries:** Our Meal ministry (thanks to BRC's team for being a key participant!), Game Night, and Creation Care ministry are having a positive impact. One example is our advocacy to protect Cudell Commons Park, its basketball courts, and its green space from development.
3. **Our Worship:** We continue to see new people take leadership roles in music, prayer, and teaching.

Thank you BRC for your prayers and your financial support! God bless you. ~Pastor Dean Van Farowe

**Exciting developments are underway at Renew!**

\*In recent months, we've witnessed Renew transform into a vibrant apostolic hub, hosting not just one, but four churches and one campus outreach ministry. Among them, two are dedicated to serving the Hispanic community, one stands as a refuge for Ukrainian worshippers, and another extends its outreach to the youth attending the nearby school. What's remarkable is not just their presence, but the beautiful synergy as these ministries collaborate and breathe life into God's mission!

\*Furthermore, these ministries have pooled their resources to enhance our church facility, ushering in a new era of comfort and functionality. They've replaced pews with chairs, traded in outdated sound systems for state-of-the-art equipment, and embarked on a comprehensive cleaning and revitalization initiative throughout the premise.

\*Moreover, the past summer brought us the joy of baptizing eleven individuals at Edgewater Beach, and we eagerly anticipate baptizing more this coming summer!

\*Finally, we've had the privilege of witnessing God orchestrate the formation of a dynamic new leadership team for Renew. Their vision and vitality are not only revitalizing our community but also breathing fresh life into Renew and its surrounding environment.

None of the incredible strides outlined above would have been possible without your unwavering support! For this, we are immensely grateful and deeply appreciative!! ~Pastor Pete Pinkowski

**We have had an awesome year in Sunday School!** We first studied the gospels and now have been in the Old Testament learning about Genesis and Exodus. This summer we will have Children's Church for PreK-3rd grade.

**\*\*If you would be interested in volunteering** to help with Children's Church this summer, please let me know! It is a great way to volunteer with the kids for just one Sunday or more without the long commitment. Thank you for considering this opportunity!

I just want to give a **HUGE** shoutout to our Sunday School Teachers– Tracy Lezark, Lynn Reichle, Cora Carroll, and Annette Palmer! They are committed to showing up consistently almost every Sunday during the school year for our BRC kids and building those relationships! They create a fun and safe space for the kids to learn about God! ~Michelle Morgan, Children's Ministry Director

**God Understands.** We believe that when Jesus walked this earth, He was both fully God (conceived by the Holy Spirit), and fully human (born of the virgin Mary).

Therefore, God understands our greatest human needs and He can address them through His Son (Hebrews 2:14; 2:17; 4:15; 7:26-27).
