one hour

Kids Hope USA is BRC's mentorship program at Kidder Elementary. Our Mentors meet one-on-one with children for one hour during the day, once a week, for the school year.

BRC gets to show God's love and the church's appreciation for the employees at Kidder Elementary. Our Adopt-A-Staff volunteers provide one staff member with a note of encouragement or a small gift once a month.

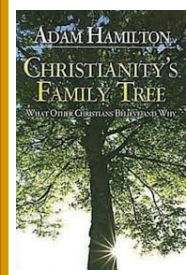

Prayer Partners are also an integral part of the ministry. They pray for the students, mentors, schoolteachers, and staff regularly.

GOD RETURNS... We believe that Jesus will return one day, God in the flesh, to judge the living and the dead! Those who have put their faith in Him, and in all He accomplished in His first coming, will stand eternally justified in His second coming. Those who have rejected Him in this life will suffer His eternal judgment (Matthew 25:31-46, Luke 21:28, Philippians 3:20-21, 2 Thessalonians 1:6-10).
