## MISSION FOCUS OF THE MONTH

KIDS  
HOPE

The school bells are about to ring again, and that means it's time to jump back into Kids Hope USA at Kidder Elementary School! This powerful mentorship program pairs caring adults from our BRC family with students who could use a little extra encouragement, a listening ear, and someone who believes in them. This year, we're praying for *even more mentors* to step forward. Maybe that's you! If you would like to be a Kids Hope mentor this year or want to know more about the ministry, please reach out to Adam Smith at [kidshope@b-r-c.org](mailto:kidshope@b-r-c.org)
